

Spartonian

# 1984

Spartonian  
Hempfield Senior High  
Greensburg, Pennsylvania  
Volume 28

14801

The Spirit of Hempfield  
Captured in the  
Spartonian

With the coming of spring, there also came an exquisite spirit of romance as the soon to be seniors prepared for the 1983 Prom. As the juniors painted, cut, and hammered, the usual gym took on a spirit of the romantic South with plantations, a gazebo, and fountains. The long hours of labor were well rewarded when the young couples, vibrant and full of energy, danced to the Prom theme, "Just You and I."

# PROM 1983

# The last day of school brings happy expectations

Looking forward to . . .

... SUMMER!!

# HOME COMING

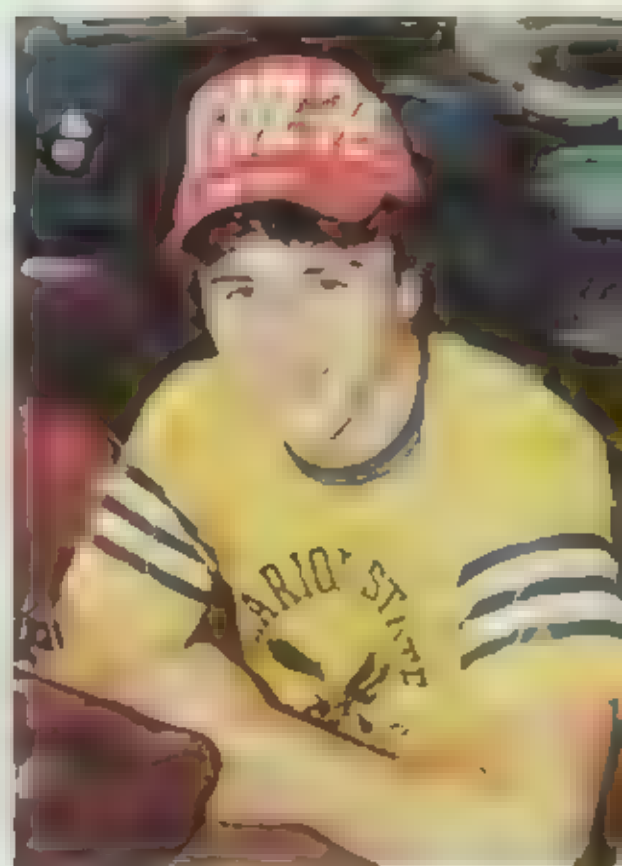

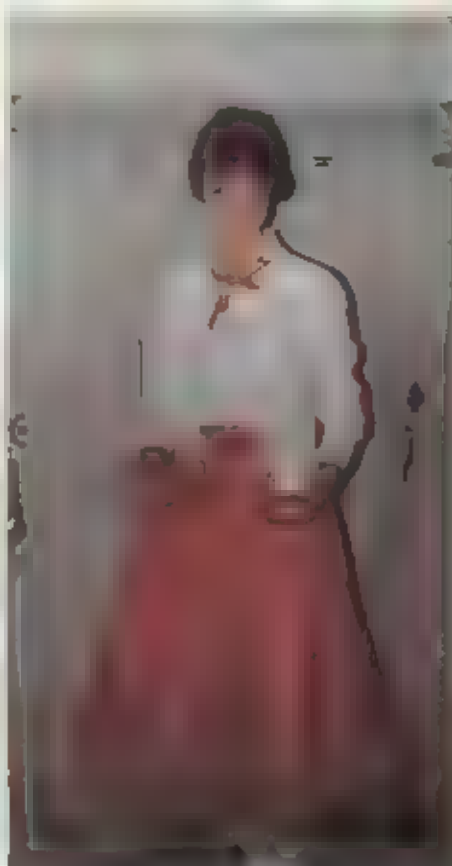

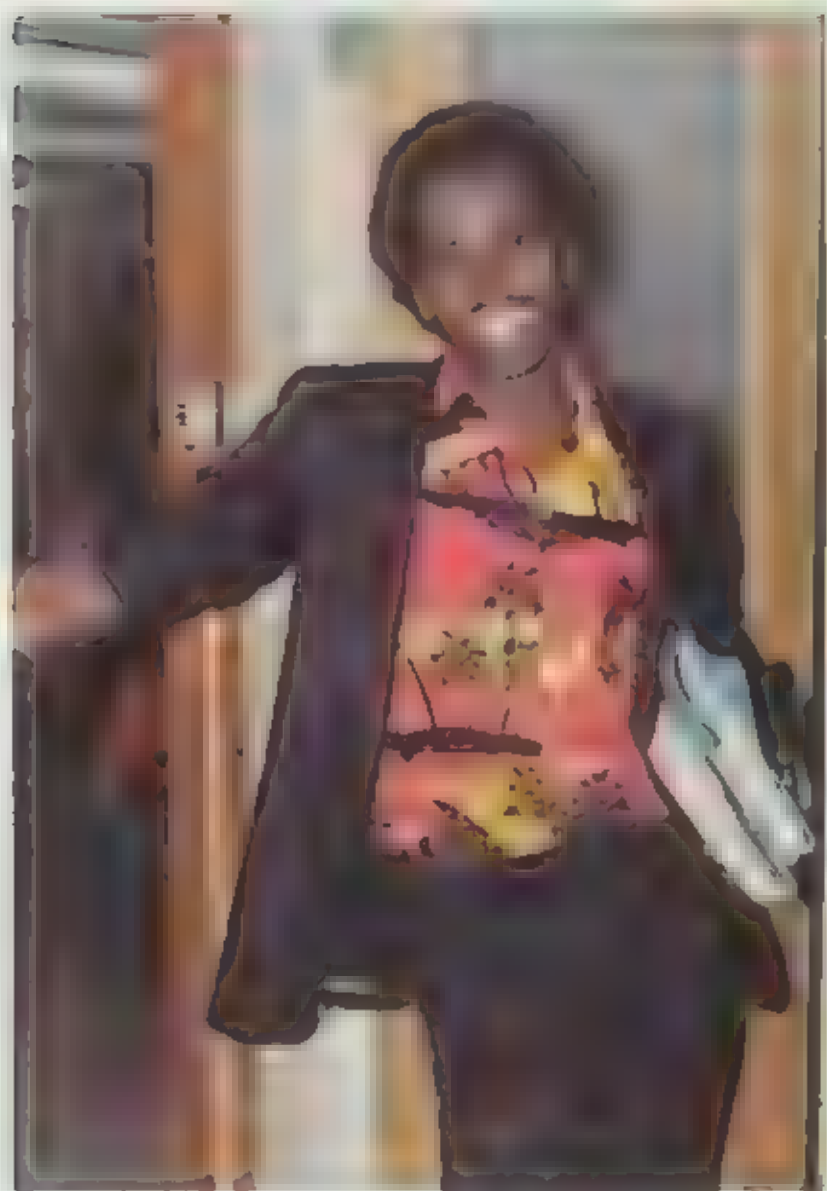

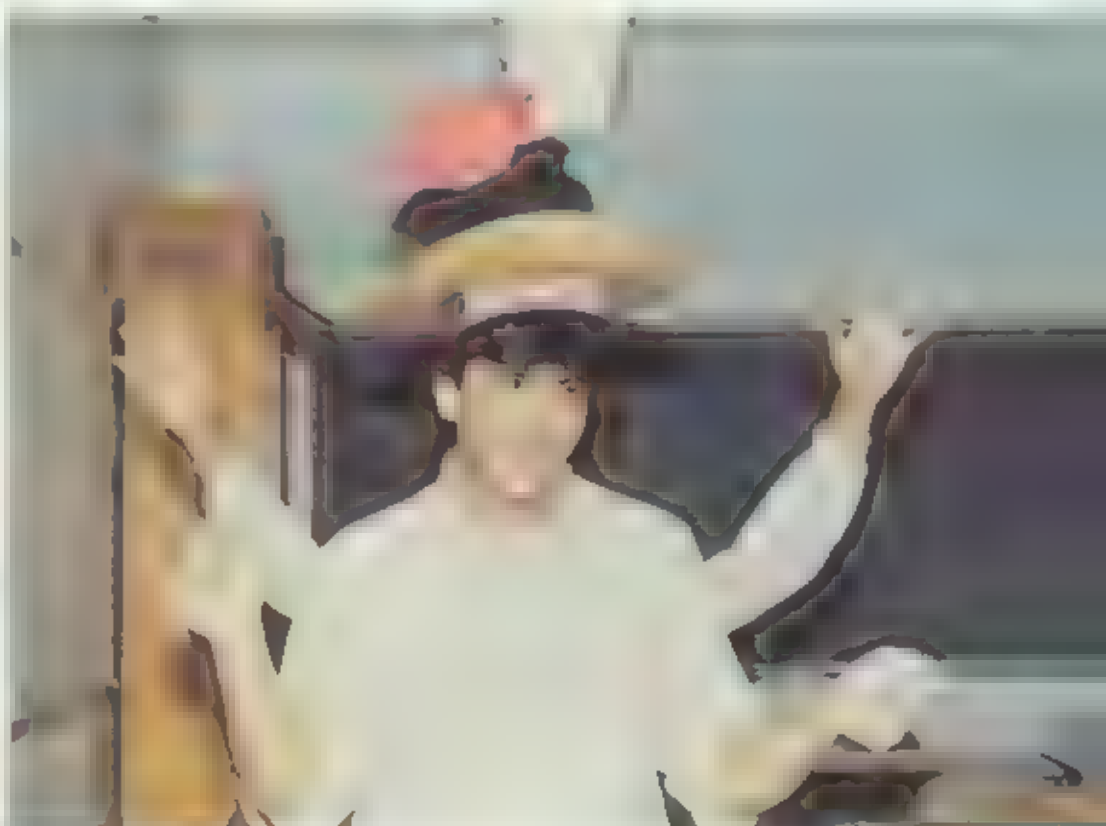

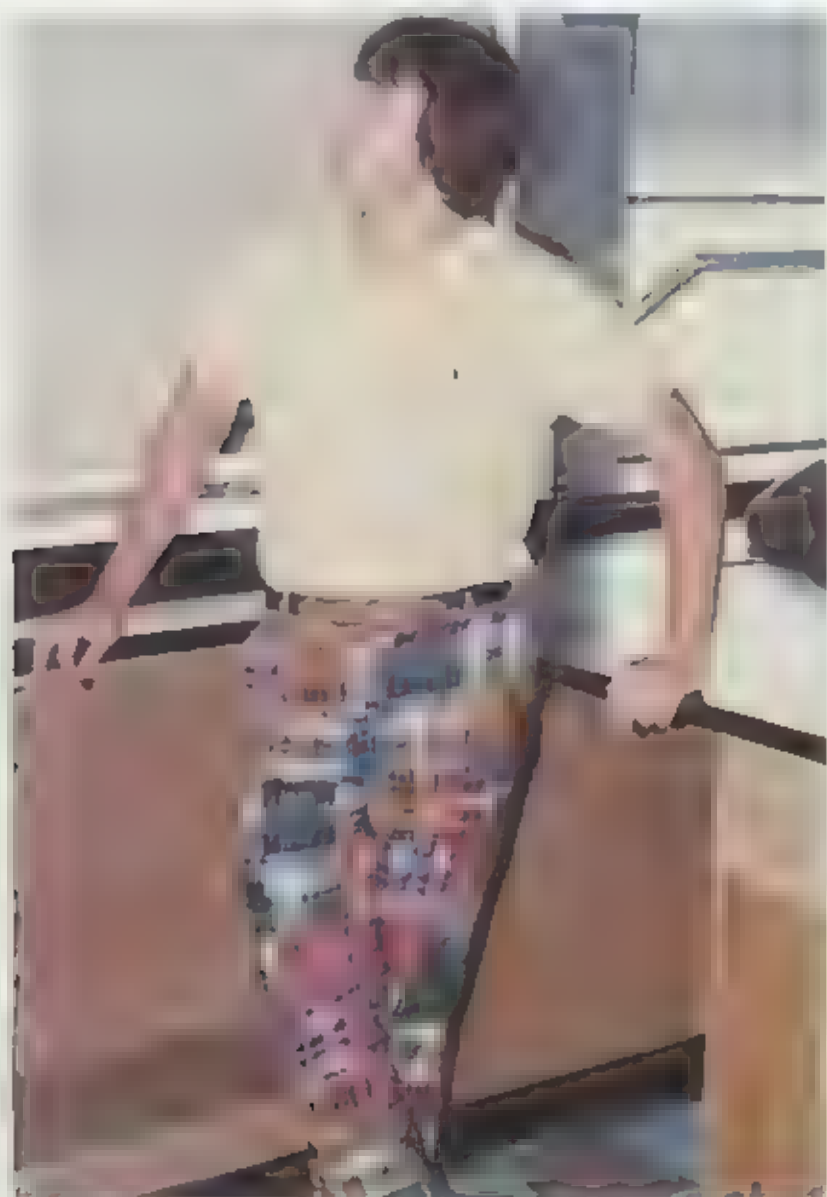

1983

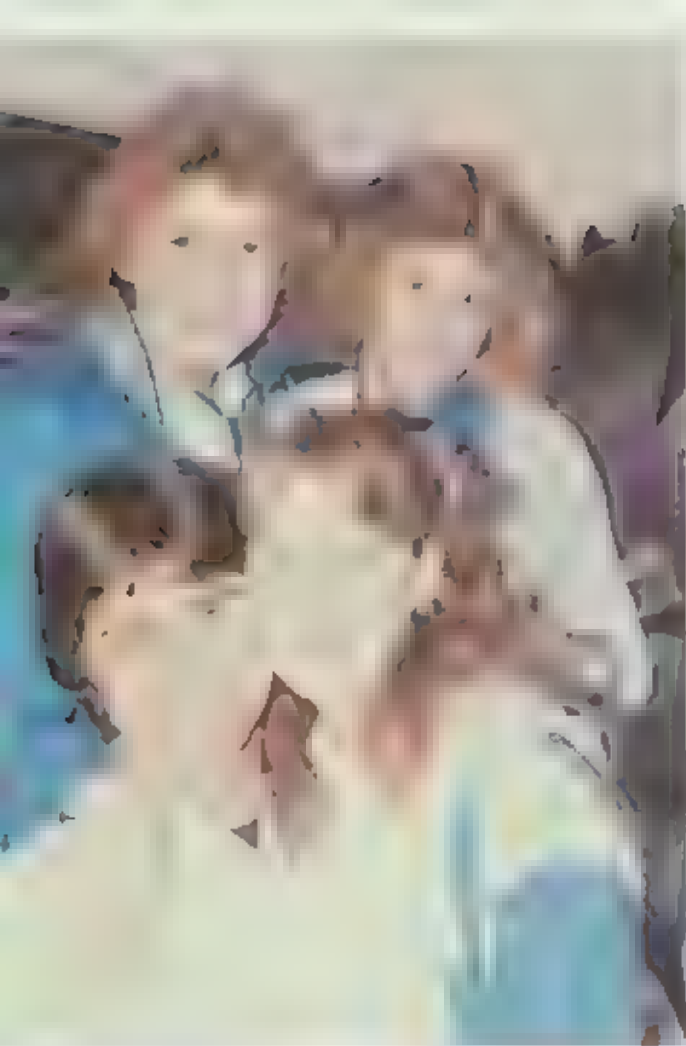

Have Hempfield students finally gone crazy?! This may have been a question asked when looking around the halls and seeing students in anything from sombreros, to poodle skirts, to painted blue and white faces. For those who still don't understand, all this could be seen on any day during Spirit Week! Each day featured a different way to show our Sportan Spirit. Monday was clashday, Tuesday, hat day. Wednesday was lollipop day and Thursday a 50's day was held. To end the week a Spirit Day was observed and students showed their pride by wearing blue and silver

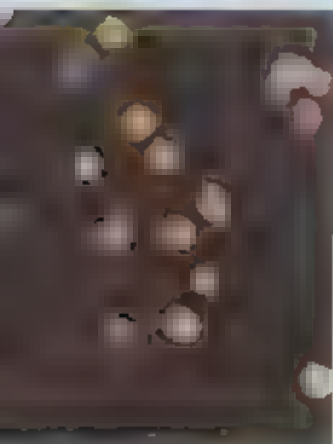

# Spartans

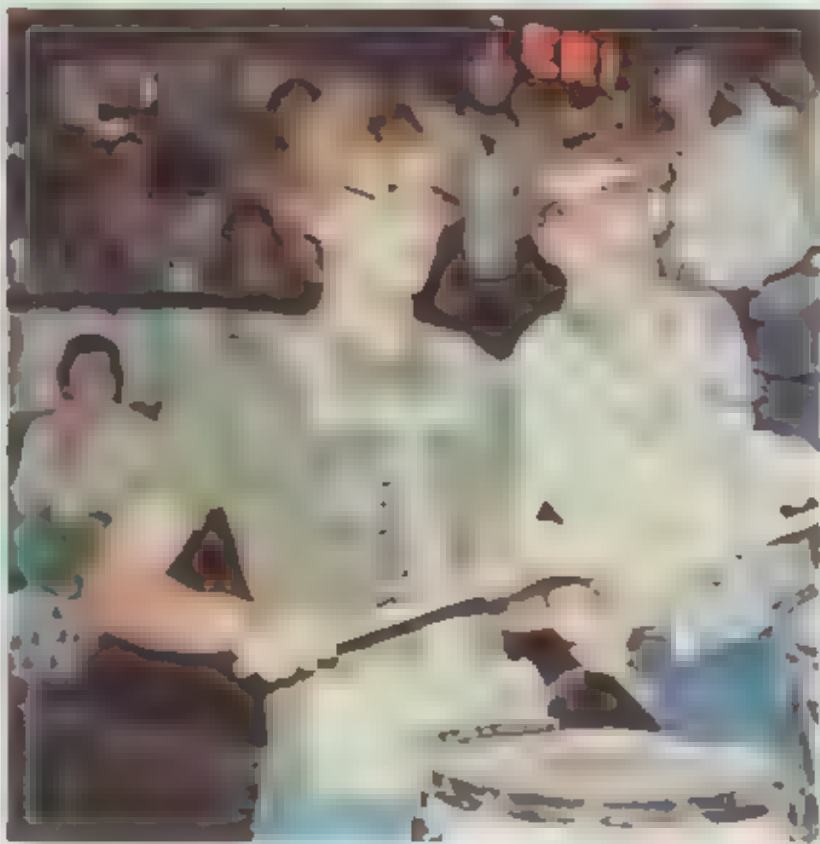

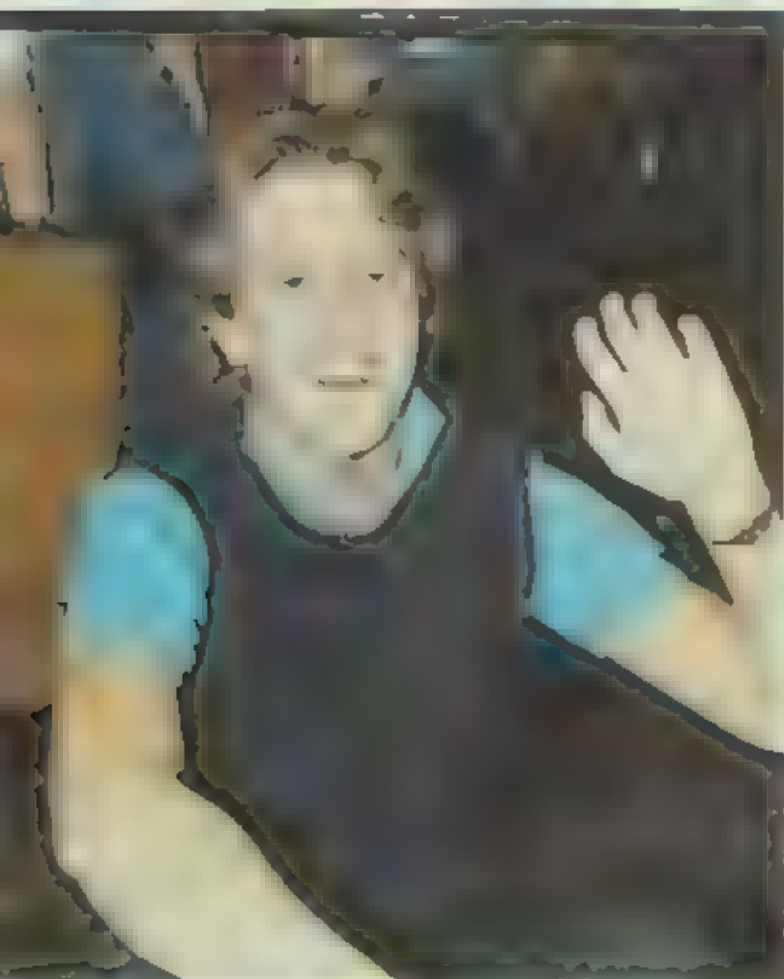

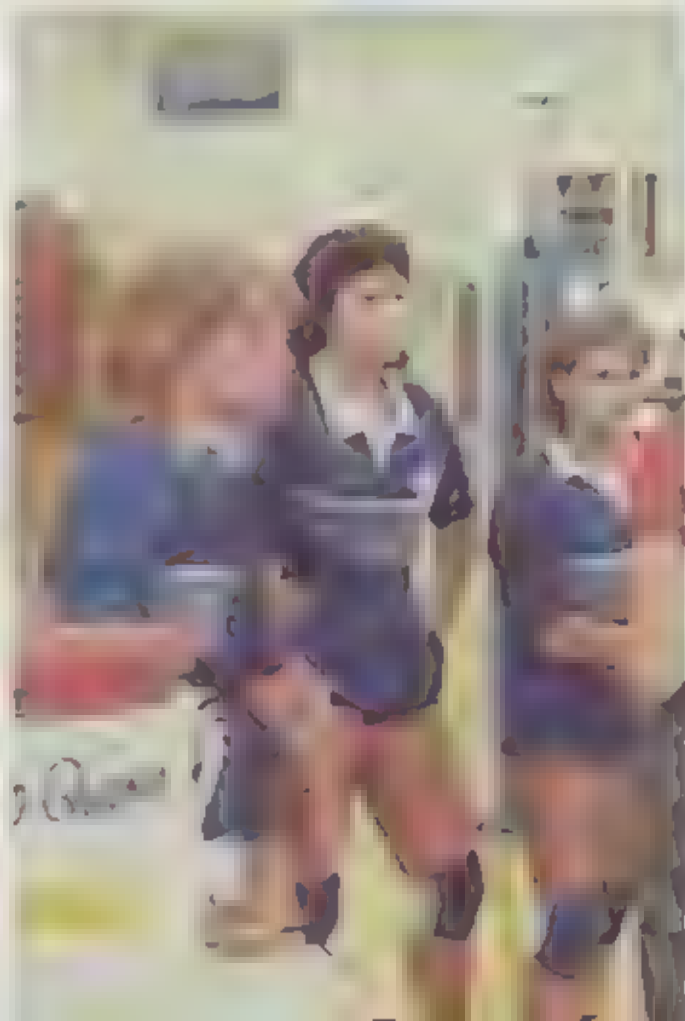

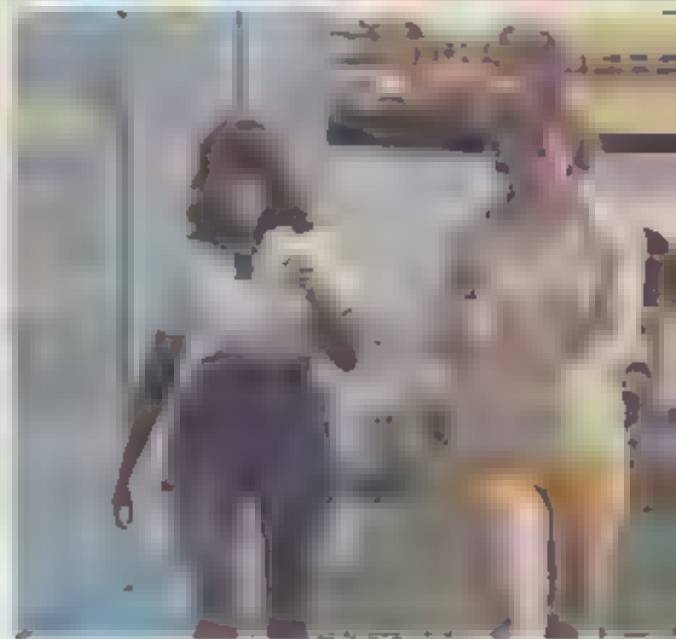

Homecoming is an event that holds very special memories for many at Hempfield, and this year "outstanding" was the only word to describe it. The loss to McKeesport didn't stop our Spartan spirit. The evening's festivities got started with a reception honoring the Homecoming Court. At halftime, Lori Ann Pifferetti was crowned the 1983 Homecoming Queen. Lori Ann was escorted by Ron Repasky. The Queen's senior attendants were Sandi Gozelanczyk, escorted by Brent McBride and Dana McCauley, escorted by Gary Eichner. Representing the junior class was Liesl Guinto. Her escort was Matt Genard. Pam Lambie was the sophomore attendant and her escort was Vince DaVersa. After the game a Homecoming Dance was held as an end to a perfect evening!

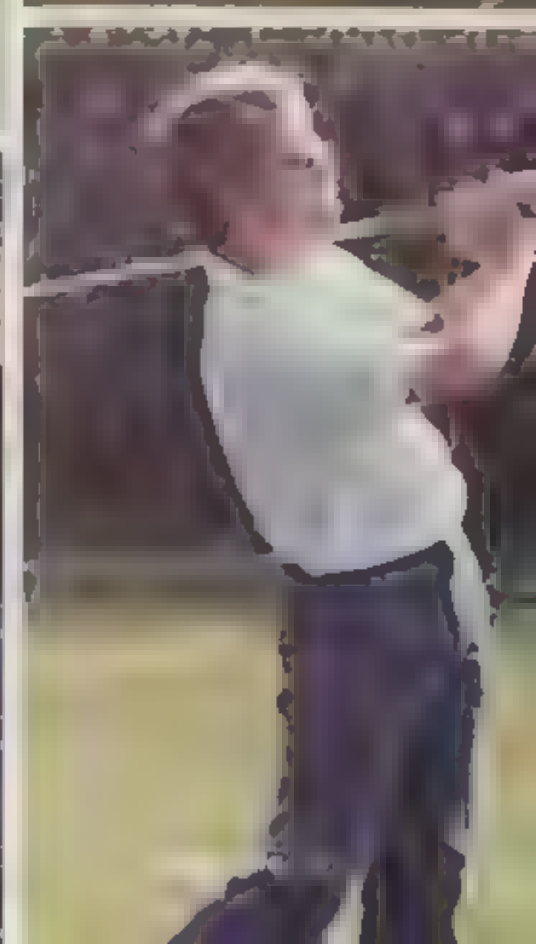

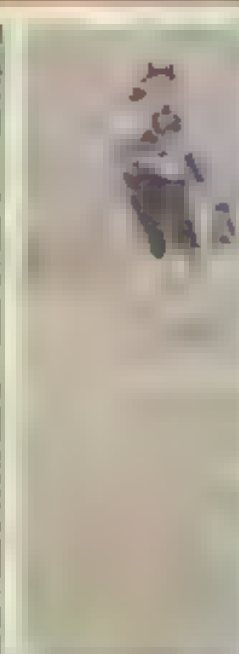

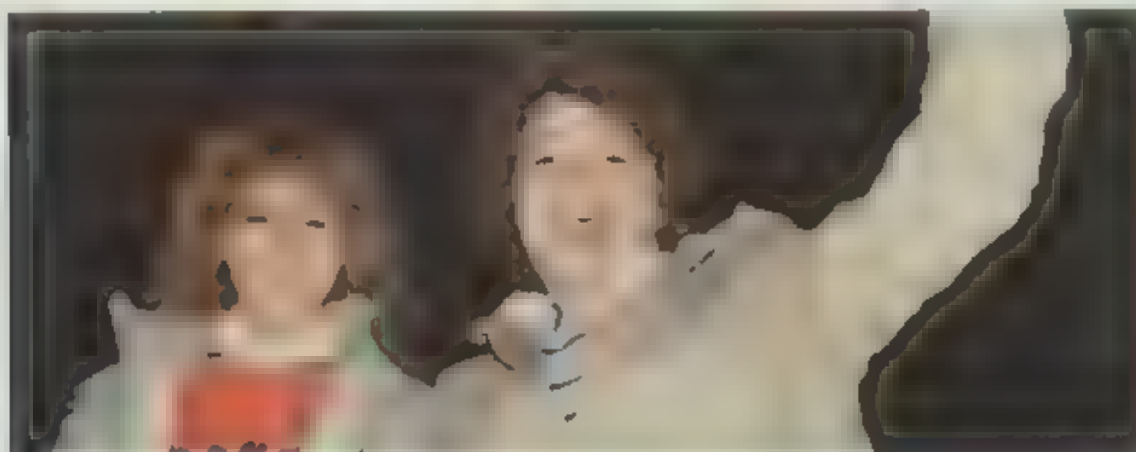

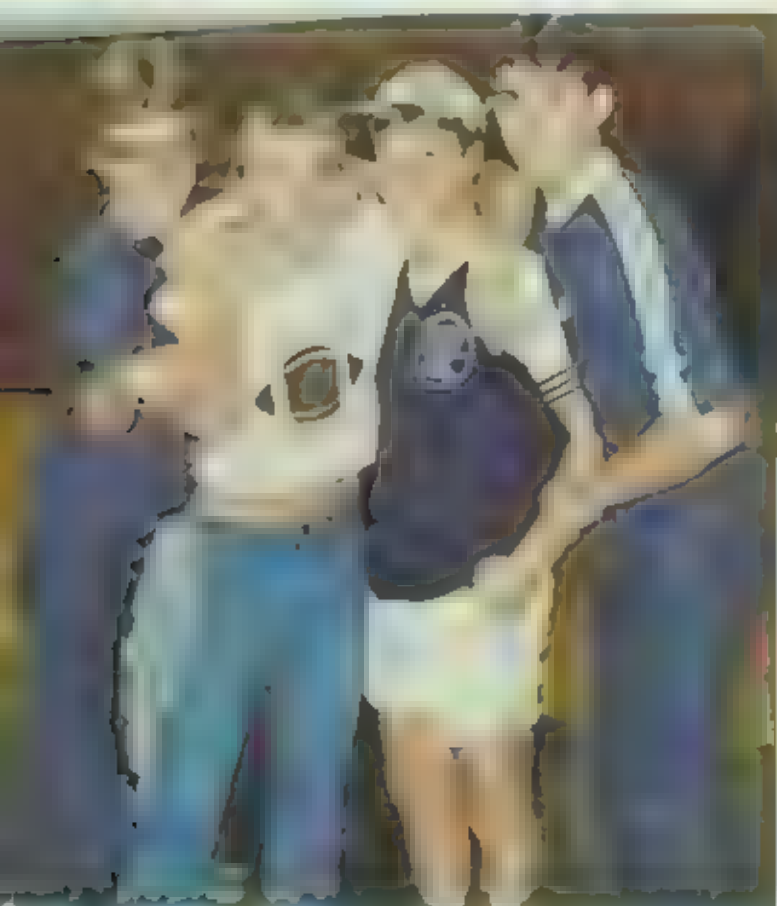

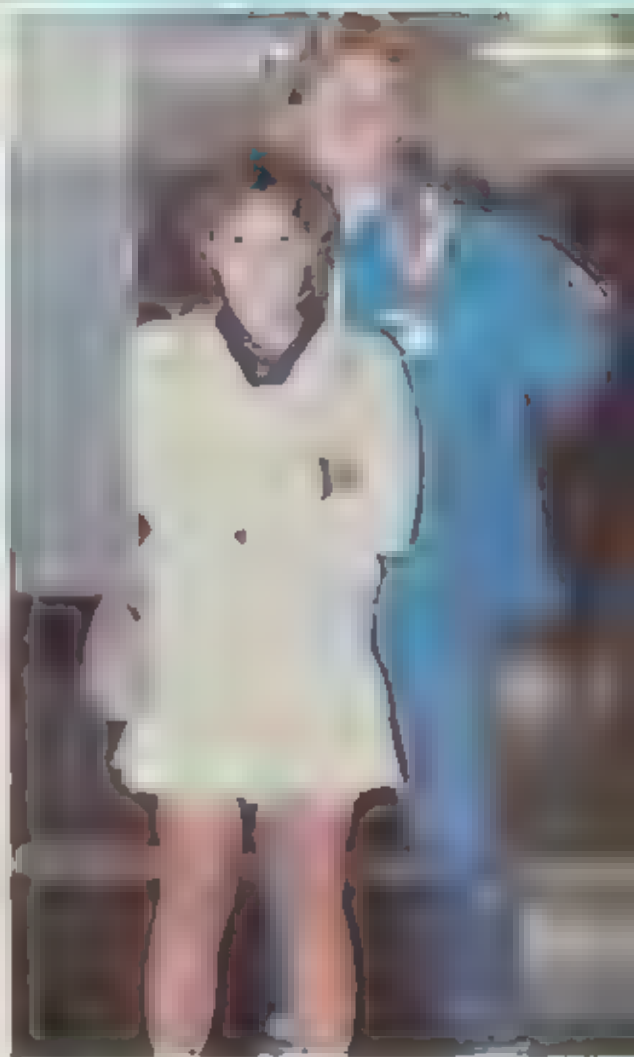

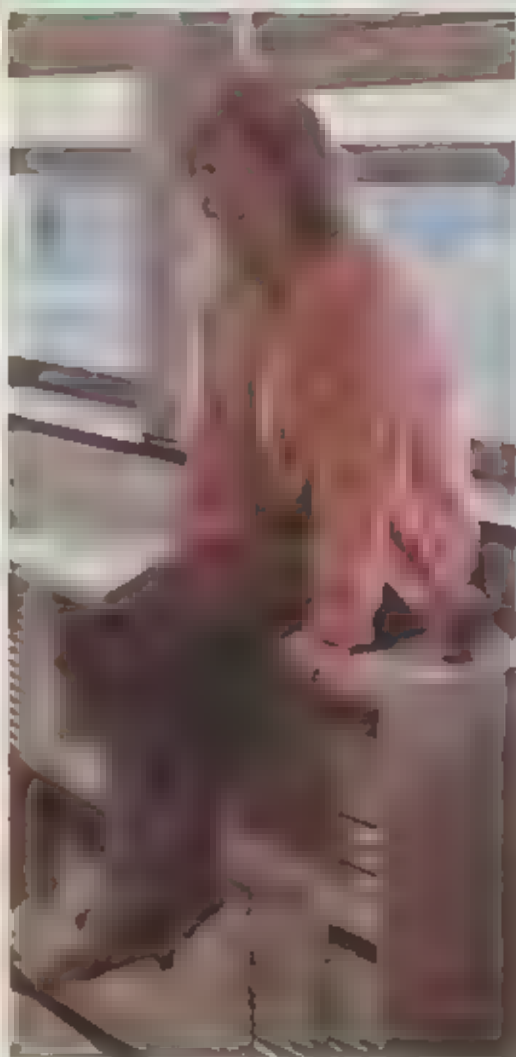

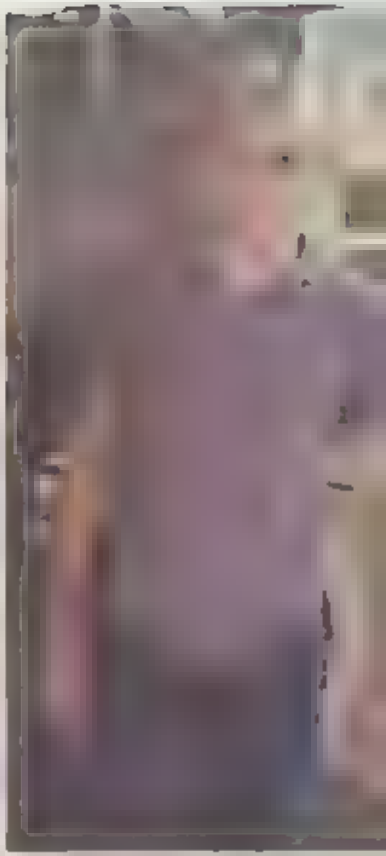

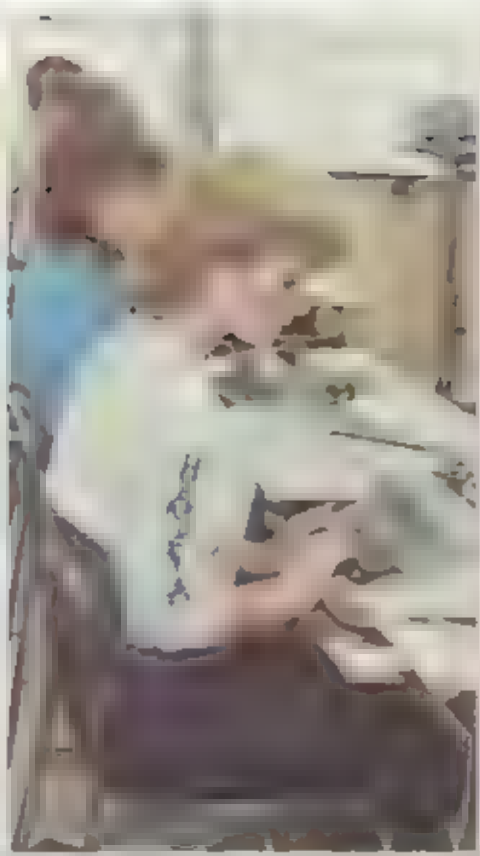

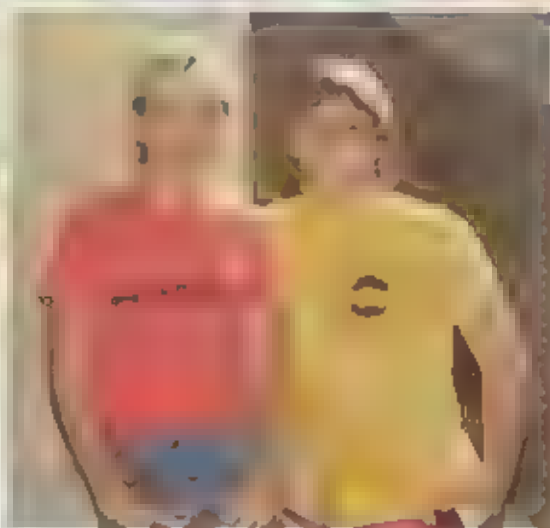

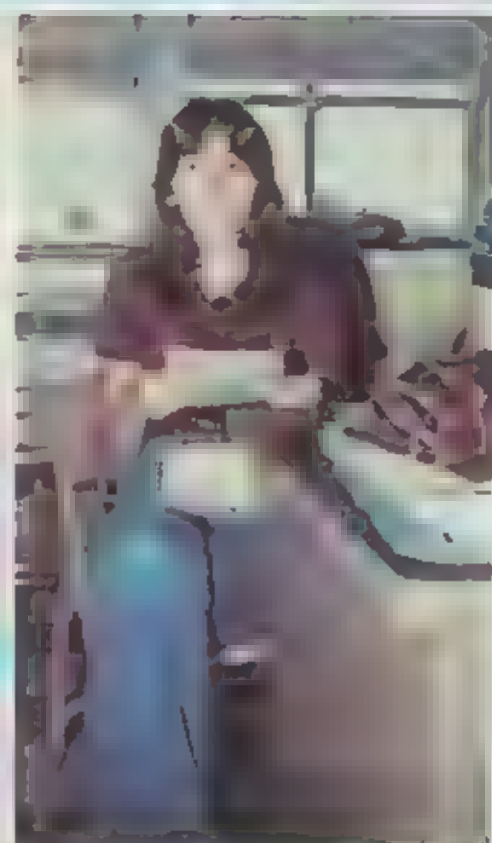

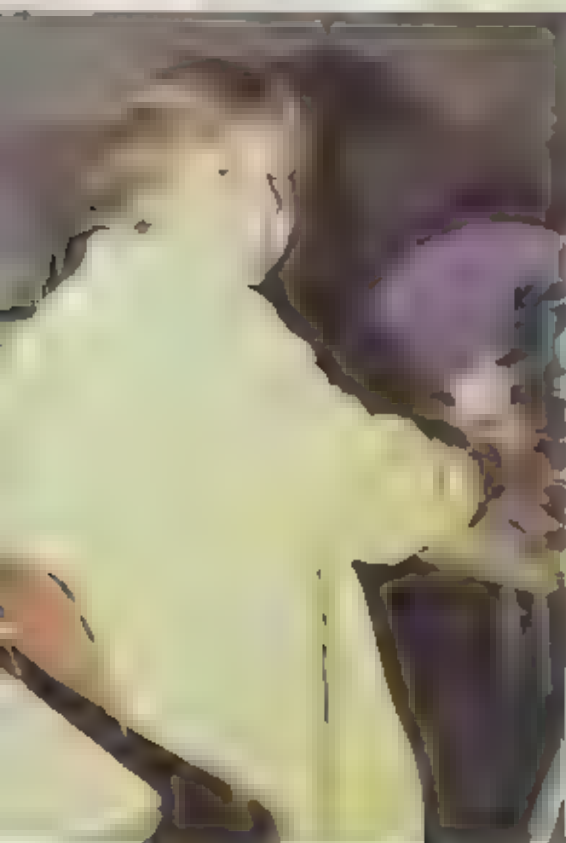

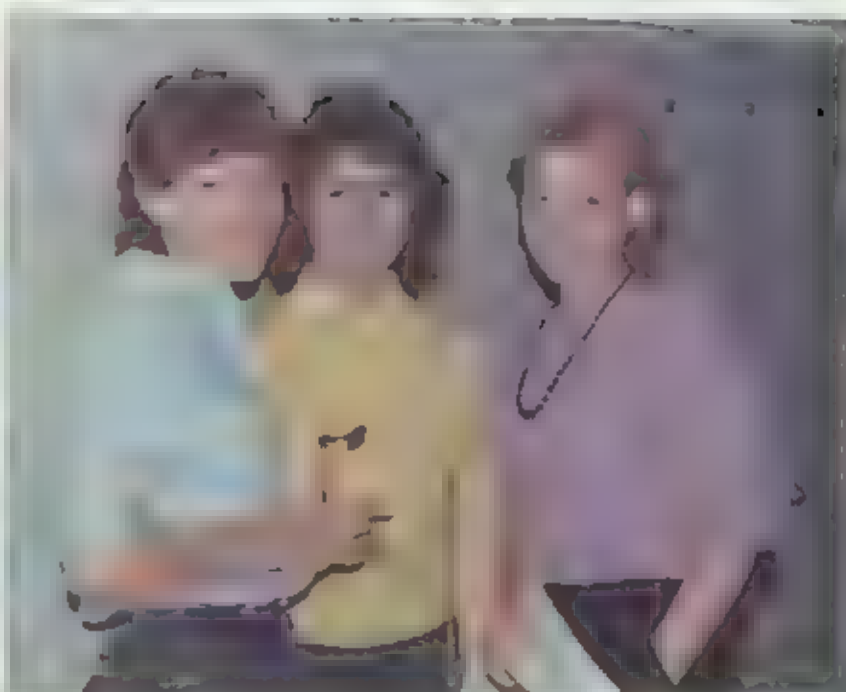

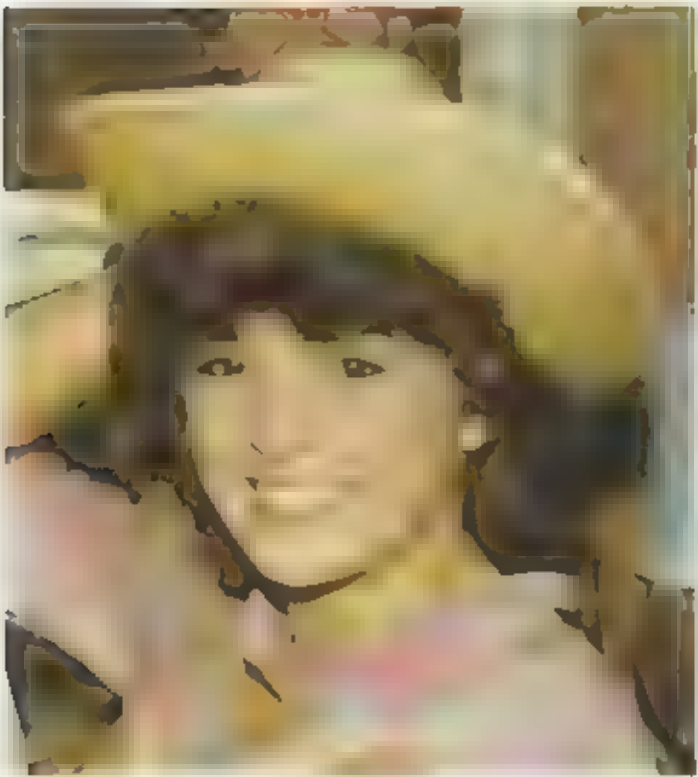

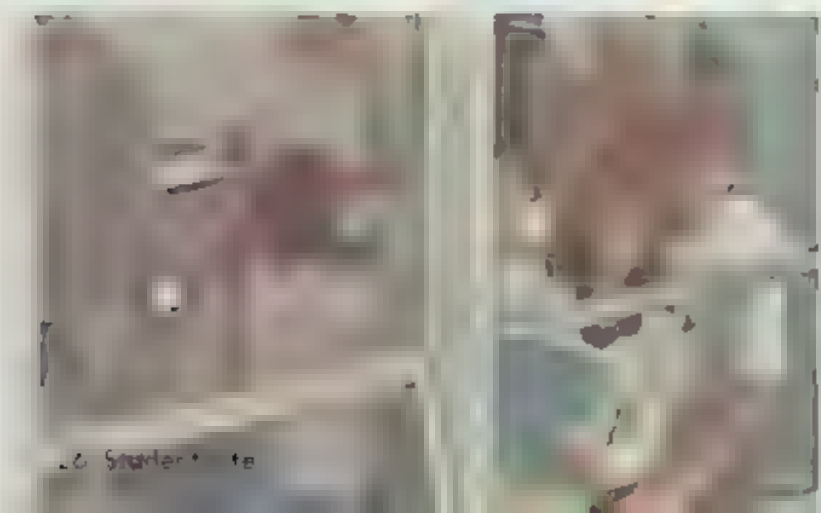

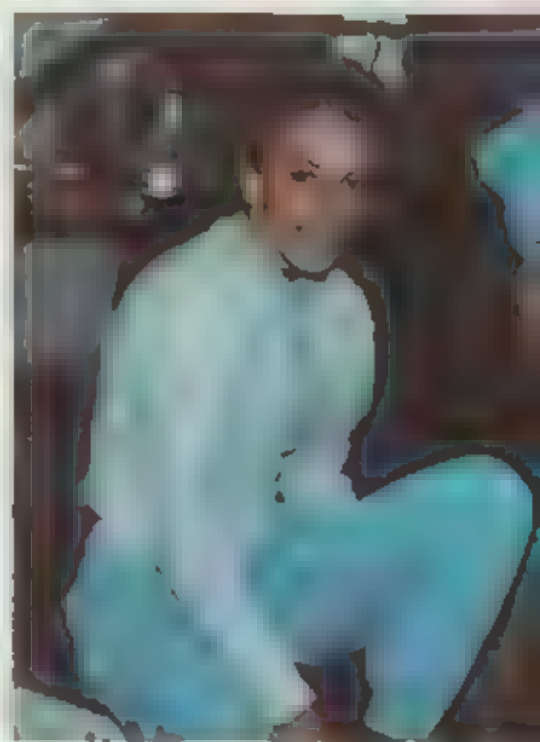

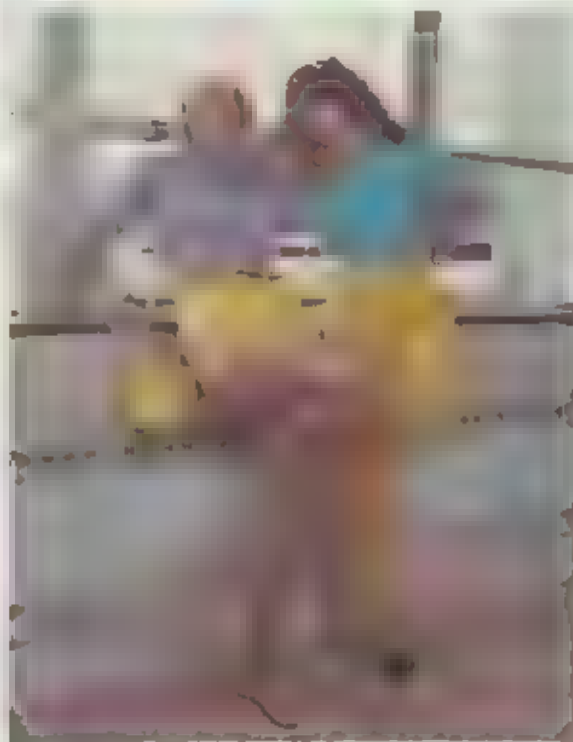

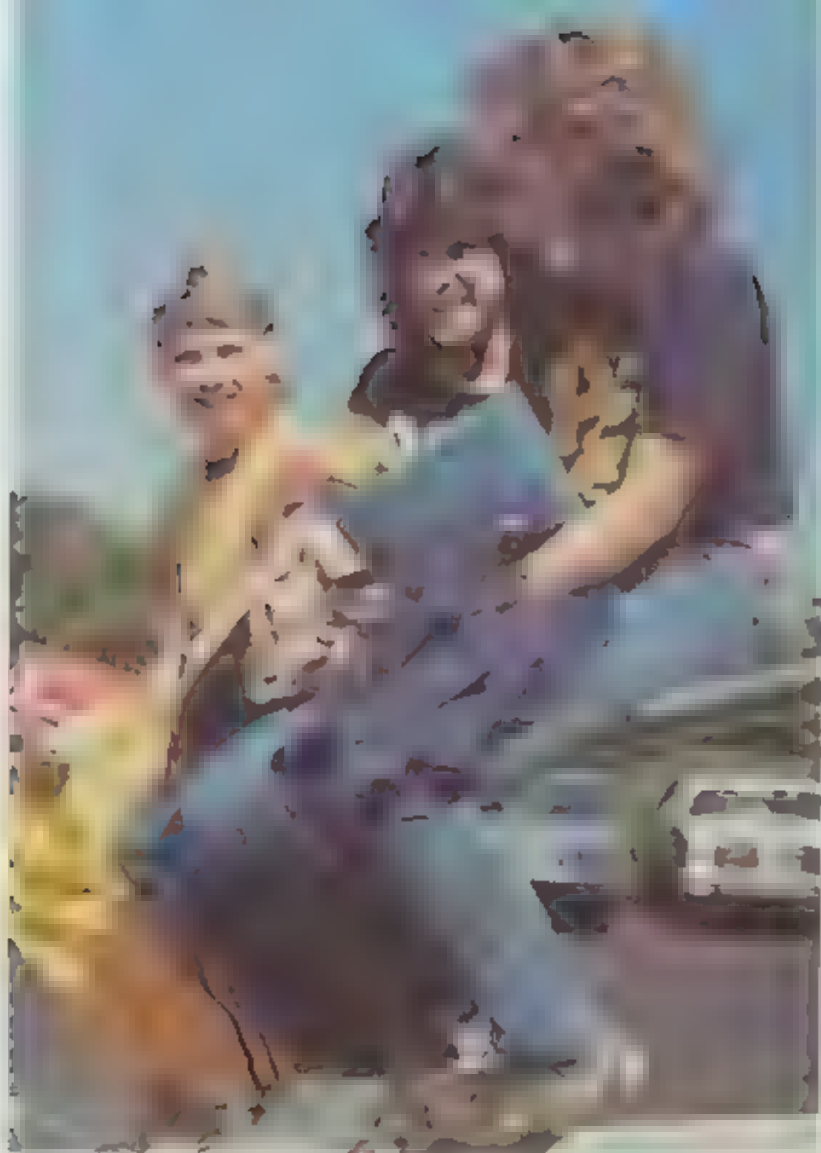

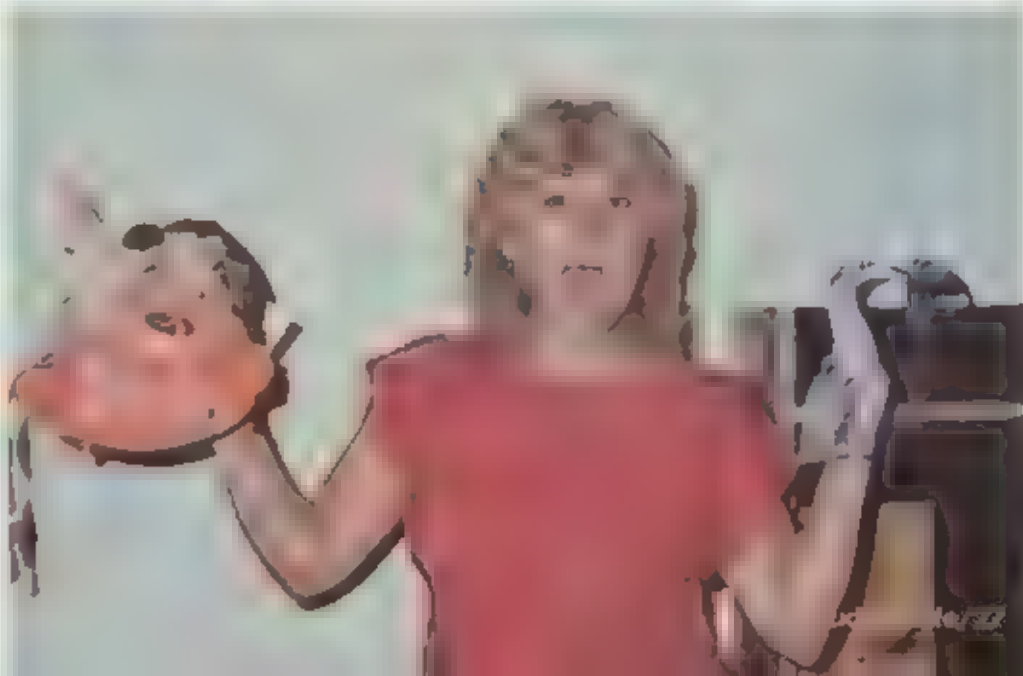

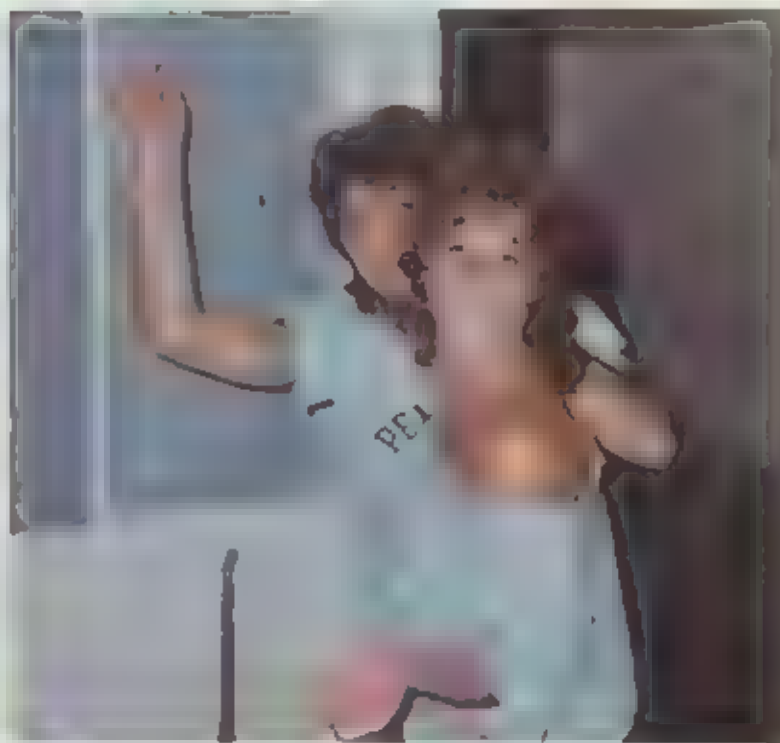

Li'l Abner and Daisy Mae Brian Moore and Lynn Sulkey

JOHN BAKER  
DENNIS HAWK

MARY CHRISTINE KETTER

The times she got to spend with us were too few,  
But memories of her will return like the morning dew  
A very special kind of friend,  
With her loss our hearts may never mend,  
There is much I'm sure, we wish to do or say,  
But God chose her day  
Our stained hearts will always see her face,  
Although in our lives ahead there will be an empty space  
She always seemed to wear a smile,  
With her death, sorrow she would never allow

God has taken her and laid her to peace,  
But the smiles and tears shared with Mary can never be erased

LISA C. BURKE

KIRK YOUNG

Senioritis strikes again!

All I wanted was a drink

Full-figured gal

On Dasher...on Dancer

We gave at the office

Lost in Space

want to suck your blood

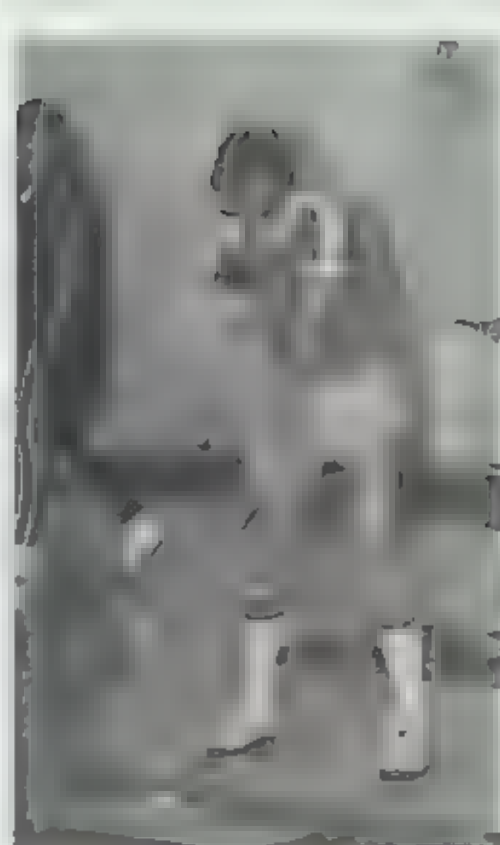

Here come the fruits

All dressed up and no place to go

Anticipating the last Christmas at HASH

Fore

But Mrs. Simmons have to go

The Future Rockettes

You back with that camera AGAIN?

Posture Queen

Take our picture Take our picture

## Spartan Spirit

### HOORAH FOR SPARTANS

What is all that noise? Why are those kids dressed in blue and white cheering and yelling? These two questions might have been asked by curious shoppers on the night of Wednesday, September 21 at the Westmoreland Mall. Hempfield took first place in the School Spirit Contest sponsored by the mall officials. Signs, posters, and

painted blue and white faces were just a few of the ways Spartan students showed their enthusiasm.

Steve Douds served as emcee for the evening to head the crowd and festivities. Helping Steve were the cheerleaders, the majorettes, both girls and boys pep clubs, several band members, and various football

players.

The evening's celebration started with the cheerleaders conducting cheers and was followed by pyramid building and stunts headed by the pep clubs and a performance by majorettes. During a great evening, an enthusiastic Hempfield crowd shared their support for their school and teams. The evening end-

ed with "Roll Out the Barrel" with participants forming a single-file line to cheer throughout the mall.

Shoppers and students alike had a night to remember. Students from Hempfield certainly showed a great amount of SPARTAN SPIRIT AND PRIDE!"

Debbie Papenchak, a senior at Hempfield, has been involved in a very interesting and unique project. Through the 4-H Club and the financial support of the Lions Club, Debbie has been a trainer for a guide dog for the blind. She became interested after reading an ad for needed trainers in the newspaper, then, after attending a clinic to learn how to teach, Debbie got a dog of her own. Last March, she began training "Titan", a German Shepherd. Debbie kept Titan for a year and prepared him for more training in Michigan. After the Michigan training, the dog becomes a guide dog for a blind individual.

The Michigan training school really depends on the 4-H club members to raise the puppies to the point where their further training takes place.

Trainers and their families, such as Debbie's, raise the puppy to this training age, providing him with an atmosphere of love, sociability, and exposure to conditions a blind person will encounter.

As the puppy grows, he is watched carefully for characteristics a guide dog must possess, such as intelligence, friendliness, calmness, willingness to please, and ability to deal with new and unexpected situations. Not only did Debbie have to teach Titan to obey, but he also had to be taught to disobey. For example, he had to have the knowledge to disobey a "forward" command if the dog sees a car coming. Debbie, to socialize Titan (getting the dog used to public places), took him on a bus ride and places like McDonalds. Titan also won four first places, in various dog

## Champions

Debbie Papenchak, Titan

shows. After all this preparation, Titan took a socialization test, which tests for such things as the dogs' reaction to strangers, walking on a leash, reaction to stairs, steps, slippery floors, doorways, sudden loud noises, highways, and various distractions. Once the socialization test is passed the dog

then leaves its trainer to go on, which can be very hard after the attachment to the dog, but for the final outcome it is worth it.

Debbie plans to continue with this very special program, although she will not be able to train a dog of her own because of future college plans.

Terri Bittner

## Finalist in Century III Competition

Terri Bittner is a very active senior at Hempfield. She has participated in many activities such as R.A.N.C.H., the track team, and cross country. She has served as senior class secretary and has also served as secretary/treasurer of Student Council. Terri is also active in French, Ski and Pep Clubs, a Wrestlerette, and a Hempfield Parks and Recreation gymnastic in-

structor.

If all this is not enough Terri has been given the honor of being the winner of the Century III Leadership Scholarship competition, a program sponsored by the National Association of Secondary School Principals.

Terri had to write an essay on "Projection for Innovative Leadership", and complete a current events examination.

Terri's essay and application after winning here at Hempfield, will compete in a state competition. Two winners are chosen at the state level to receive a \$1,500 Scholarship. Once a state winner, students can compete nationally. Hempfield would like to congratulate Terri for her fine achievement and contributions to our school.

## Students Commended

Hempfield students excel in various activities from sports such as baseball and basketball to academic achievements such as commendation on PSAT scores.

This year Dr. Theodore Kondrad received notification that five seniors placed in the top five percent of over one million other students in the United States that take the Preliminary

Scholastic Aptitude Test (PSAT).

The PSAT is usually taken by college bound high school students during their junior year to prepare them for the Scholastic Aptitude Test (SAT). These tests and their scores are very important in order for acceptance when seniors apply to colleges to further their education.

The five seniors receiving a letter of Commendation were Christine Baier, Frank Farina, Mark Jones, Fred

Johnson, and Dan Rutledge. These five students were part of the thirty-five thousand students across the United States that were commended on their PSAT scores. The National Merit Scholarship Corporation recorded figures showing that 2,017 of these students are from Pennsylvania, representing 514 schools. Pennsylvania placed fourth overall in the nation with New York (first), California (second), and New Jersey (third).

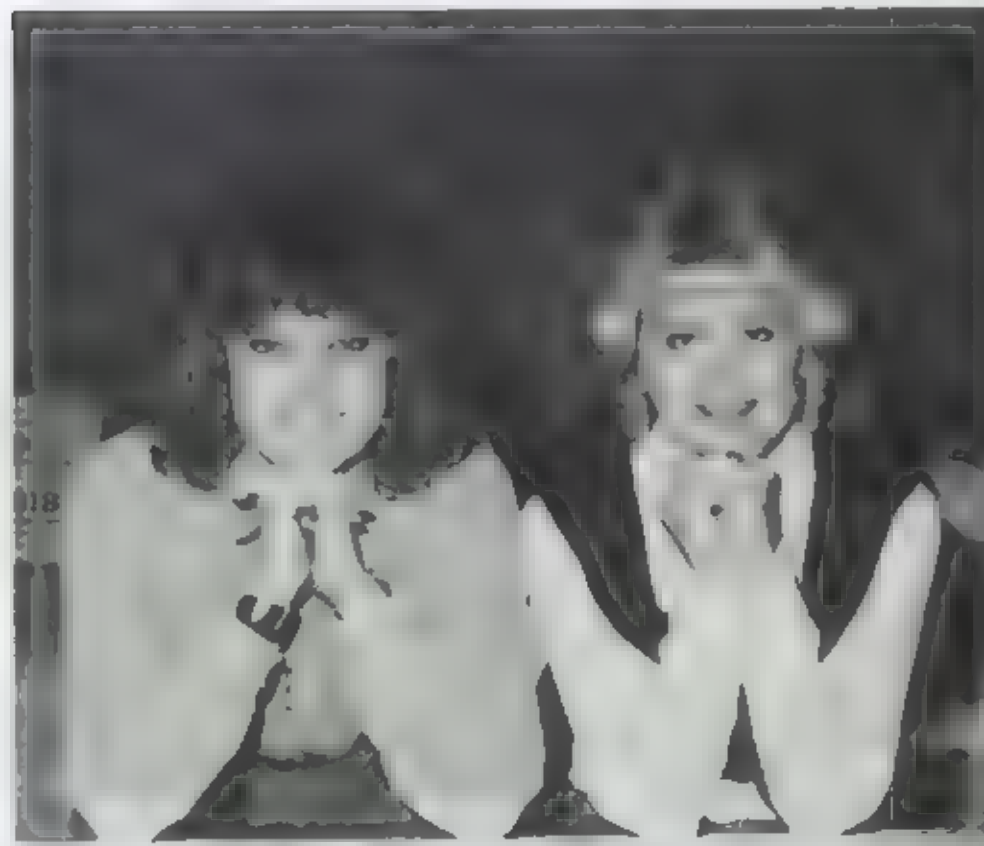

## Student Representatives To The School Board

Maggie Foster and Kelly Fleming seniors here at Hempfield were chosen by their fellow classmates in an election to serve as Student Representatives to the School Board. Being a representative allows Kelly and Maggie to voice students' opinions during school board meetings, which are held every month.

Since Kelly and Maggie are students they are in contact with their classmates' suggestions, opinions, and problems which can be presented to the board to let the student become more closely involved in school government.

As school board represen-

tatives they also attended a Pennsylvania School Board Association Conference in Pittsburgh. As well as meetings and workshops both students have also showed their interest in such school activities as Student Council, Ski Club, Pep Club, RANCH, and were chosen by Dr. Kondrad to participate on the Long Range Planning Committee which involves discussing, planning, and changing standards for our school. If all this is not enough Kelly served as Vice President of Student Council and Maggie served as Vice President of her Junior Class.

Maggie Foster, Kelly Fleming

## Future Ballerina

Paula Cassini a senior at Hempfield has been preparing to fulfill her dream to become a professional ballet dancer by studying long vigorous hours in various dance studios.

Paula began her dancing lessons at a little dance studio in Irwin, Pennsylvania. From there she furthered her dancing abilities at Pittsburgh Ballet Theater and Kasamon Ballet where she danced in a student company for two years. She is presently studying at the Pittsburgh Ballet Theatre 36 to 40 hours a week.

Paula spent this past summer in New York City under the direction of Madame Darvash, a ballet teacher from Romania. She is now preparing for an audition to dance with the Pittsburgh Ballet Theatre.

Throughout the 11 years that Paula has been taking lessons she has

Paula Cassini

danced in many programs. Some of these performances include The Nutcracker Suite, the eloquent spring ballet Swan Lake, and a Memorial Day Folk Festival at Ligonier.

Paula has also studied jazz, folk, and modern dance.

We would like to wish Paula the best of luck in her audition this spring and much success in future years.

## Student Government

Student Council is an organization which allows students to participate in the activities of school government. Student Council members, ten students from each grade, were chosen by elections of their fellow classmates. This year Mike Guinto served as President, Amy Slyman as Vice President, and Tim Roess as Secretary/Treasurer. Maggie Foster served as Board Representative with Kelly Fleming as her alternate. The Council is headed by Mr. Cunale and Mr. Fields who serve as great sponsors.

Student Council is involved in a wide variety of activities. Chosen members attend a school board convention and an Intermediate Unit Forum meeting in which students from area schools discuss school problems. Student Council also sponsors the homecoming reception for the court, their parents, and guests and homecoming

halftime festivities, hat days and Spirit Week, carnation and rose sales, the writing of letters from Santa Claus for children, a blood drive for Red Cross held at Hempfield, a Halloween party and banquet for Student Council members and other various activities. Whenever Student Council is needed they try their best.

Seniors this year include Kim Craft, Maggie Foster, Jill Gates, Mark Gogol, Dawn Irwin, Chipper King, John Morris, Sue Poole, Pam Rizzo, and Chris Santillo. Junior members include Anita Berry, Nadine Dominick, Liesl Guinto, Amy Gunther, Jeff Hilty, Leigh Howatneck, Julie Kovacs, Lisa Lyons, Kim Mumper, and Cindy Pauliet. Sophomore members include Debbie Grindle, Anita Houston, Kim Kemerer, Lori Kushner, Pam Lambie, Lisa Lund, Michelle Pannaman, Jennifer Stannard, Trisha Struth, and Dana Wingfield.

"I hear . . . and I forget  
I see . . . and I remember  
I do . . . and I understand"

Row 1 — M. Arthurs, C. Hartman, L. Albright, M. Cimilluca, T. Highlands Row 2 — L. Longo, L. Kondrad, A. Slyman, B. Orszulak Row 3 — L. Gunto, B. Horanic, L. Pitteretti, A. Rudzinski, A. Harmon, L. Arendas, L. Smith, L. Shockey, H. Donaldson, C. Meyers

## First Class Cheerleaders

Hempfield's cheerleaders are a really busy group. Many may think that all cheerleaders do is cheer for games. This is one of their primary purposes, but the cheerleaders are involved in much more than that. Over the summer the 1983-84 Varsity Cheerleaders went to the USCA (United States Cheerleading Association) cheerleading camp at LaRochelle College during August 6-9th. The Varsity squad showed their talents by placing first overall in competition. Not only did they achieve this honor, but members of the squad received individual awards. These awards went to Mikette Arthurs, Mary Beth Cimilluca, Cami Hartman, and Tami Highlands.

This year in the month of November both varsity and junior varsity went to Allegheny Community College

for competition. Varsity took first place and junior varsity took second place. This qualified both squads to go to a national competition in Williamsburg, Virginia, which took place in March.

If cheering at games, providing much school spirit, practicing many days after school, and attending competition is not enough, Hempfield's cheerleaders planned and sponsored the Sadie Hawkins dance and also joined Mr. Garritano, "The Terrible Fan", in visiting veterans hospitals. The cheerleaders entertained patients by performing dance routines. These things mentioned are a few of the many things cheerleaders become involved in, so you can see Hempfield's cheerleaders are much more than just girls who cheer during a game!

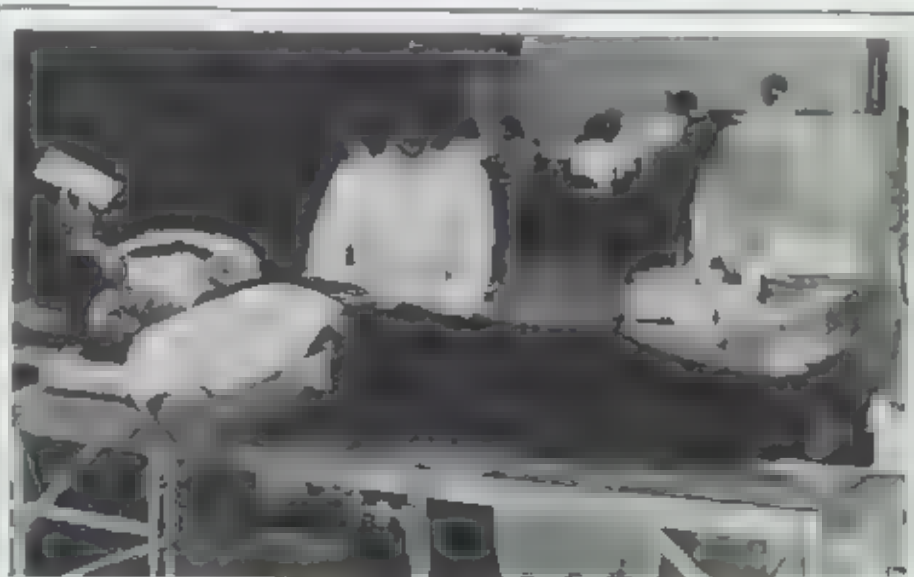

## Student Tutors

On February 20th, our school started for the first time a tutoring center. The National Honor Society, longtime leader in the tutoring services offered to Hempfield students, was expanded to include Honor Roll tutors from all grade levels. Willing students on Honor Roll were eligible to participate in this new program. Ninety-six students volunteered their services as tutors. The program was started and organized by Mr. Garritano, a counselor at our school.

One central location was established as the tutoring base and center which was in rooms between the library and cafeteria. Tutors met there to help their fellow students with academic problems. This program gave students who needed help an

excellent chance to receive it. Many times peer tutoring is more successful than a student always getting help from the teacher because students can usually relate better to students. It can be much easier for a troubled student to explain what they are having problems with because the tutors are students who have been through these classes too.

Teachers were asked to refer their students having difficulties to the center. Tutors were available every period of the day. Many students, teachers, and Mr. Garritano really worked this year to make this program work. It is a very good idea and Hempfield wishes that the program can exist again next year to become an even greater success!

Mr. Graham lying down on the job!

## Blood Drive

Wednesday, November 30 was the date of the annual fall Blood Drive sponsored by the Hempfield Area Education Association and Student Council. The goal for this year was set at 150 pints

and 130 pints were given with the help of volunteers and Red Cross workers.

Tim Roess and John Morris Student Council members, took care of the sign-ups and scheduling of times.

Where do you find one teacher, thirty-five three, four, and five year olds, and fifteen to twenty students taking on the responsibility of teaching children? There's only one place I can think of and that's room 113 where Mrs. Calabrese and Mrs. Biggnani conduct their Child Development II Pre-School.

Child Development II started as a pilot program for the 1982-83 school year and was such a success that it was placed in the curriculum for 1983-84 with one class scheduled for the first semester and seven classes the second semester.

Before entering Child Development II the student must complete a semester course of Child Development I. It is a basic course which involves Child Psychology based on the theory of Piaget. After this is completed, the student may enroll in Child Development II.

Two days out of the week are spent in the regular classroom while during the other three days are spent working in the preschool.

The classroom work includes the study of children's art, discipline, exploring of the childhood education and learning about adult behavior by the observation of children.

When working in the preschool, each student is responsible for helping to prepare the lesson plans, observing an assigned child and keeping an updated journal, and helping

prepare worksheets, crafts, numbers, shapes, letters, colors along with social and self-help skills. Each child is taught

The preschoolers are taught to function as an individual but

at the same time learns to interact with other children. This helps the child adjust to school and stresses the child's cognitive development.

Two very important events in the program were the water safety lesson and the Thanksgiving dinner.

The water safety lesson under the instruction of Dr. Kondrad was held in the high school pool. Each child was paired up with a student who looked after them in the pool. The lesson started with the children getting their toes wet and finally getting totally wet.

Thanksgiving dinner was a real treat for the children. Two days before the dinner, the children were taught lessons in cooking. In each of these lessons the children prepared part of their Thanksgiving dinner. One day the biscuits, vegetable trays, and dip were made, while the next day each table helped prepare the traditional "pumpkin pie". The rest of the meal was prepared by the Child Development II students and turned out to be a great success.

The program is well known throughout the community and is a joy for the student teachers and instructors as well as the children. Those participating in the classes should be commended for their work above and beyond the call of duty.

## A Sharing Experience, Pre-School At Hempfield

# Paragon, Literary Magazine at Hempfield

## Creative Outlet

Little known or publicized is the literary magazine published by a group of students under the sponsorship of Gerald Cumer. **Paragon** is published yearly by the students who make up the staff.

**Paragon** consists of the writing, art, and photography of Hempfield students. It is an outlet for the students' artistic and creative abilities.

Co-editors Randi Hansen and Sandy Myers, with sponsor Gerald Cumer, and the thirteen other members worked hard to complete this year's publication. The works that go in the **Paragon** are done by the students who have entered the contests, as well as members of the staff. Three contests were held this year. The first contest was in poetry, followed by art and finally photography. The poetry winners

were: Eric Packe, Lisa Pennington, and Kris Brooks. The winners in art were: Cara Buskirk, Scott Page, and Holly Barth. The photography winners were: Chad Altman, Sandy Payne, and Doug Wicker.

Kris Brooks, Mr. Cumer, Eric Packe

## Interest in Music Leads To Interesting Career

Many Hempfield students are involved in a wide variety of activities in school and out of school. Scott Deutsch, a senior at Hempfield, has been involved in an interesting activity for several years. Scott has been a disc jockey. He and his partner Rodney Boyce, a senior at Greensburg Salem High School, have played for many events. Known together as "Rod and Doc" they have played for Hempfield's Homecoming Dance, Norwin Junior High, Demolay, weddings, 124-hour dance marathon, and other various occasions.

Scott plays mostly Top 40 music (which seems to be the most requested) for the dances and parties unless, for example, it is an oldies or

special dance. Scott has always had a strong interest for music and being a D. J. is a way he can carry this interest out. Although Scott says he doesn't care for Top 40 or Pop very much, he enjoys nearly all types of music ranging from classical Handel to modern jazz from oldie Rock 'n Roll to hardcore punk to country and western blues. Scott enjoys being a D. J. and jokingly says, "he doesn't mind playing music he doesn't like (Top 40) because he knows when the night is over he will receive an outrageous sum of money for his relatively effortless task!"

Scott also has an interest in art and after graduation from Hempfield hopes to attend the Art Institute of Pittsburgh.

## FBLA Members in Competition

Tuesday March 6 was a very important day for 27 of Hempfield's Future Business Leaders of America. On that day they competed in various areas of competition at the Regional Conference held at WCCC.

The areas of competition included Public Speaking, Shorthand I and II, Business English, and Ms. FBLA. Other events included Accounting I and II, Business Math, Business Graphics, Typing I and II and concluding the list are Job Interviews and Impromptu Speaking.

The students competed against 15 other schools and the winners of these regional competitions go on to the state level competitions in Lancaster. Those winning on the state level then compete on the national level.

## Cake Decorating

Mrs. Seanor's Foods I classes did a unit on cake decorating. After making the cakes the students were taught to decorate them. The decorating was taught by Jim Riggs, a former student here at Hempfield, who is now taking classes at WCCC.

# Things Remembered

## What Is In?

Each school year brings many things to students here at Hempfield. A few things that can be noticed and remembered throughout the year is what is popular, what fads are in, and what styles are out.

Clothing styles for the year of 1983-84 seemed to take on the "New Wave Dave" look. Students seemed to have a more dressy — casual look than the previous years. Baggy pin striped pants and jeans tighter at the ankles were popular, although Levi's still were the overall favorite. Many collars were seen worn up this year, and jean jackets were popular, too. When it came to hairstyles, the most common cut for both guys and girls was having their ears cut out. Also this year, many girls not only had their ears pierced one but also double and triple pierced. Earrings seemed to be of a much wilder style and not only did girls wear them, but

seeing a boy with one ear pierced or double pierced was not uncommon. Wearing pins with sayings, slogans, and names of one's favorite groups were very common. Speaking of groups, music plays an important part of most high school students' lives and this year many new sounds, old sounds, heavy metal, pop, and punk were listened to. The new wave sound seemed to be very popular with Boy George and Culture Club, U2, Duran Duran, and the Talking Heads; to name a few, although Michael Jackson seemed to be one of the

most popular performers. David Bowie was also a very big name to remember for the year 1983-84. There are so many groups that could be mentioned as being popular and these are only a few of the numerous, but old sounds that could not be ignored are from groups such as The Who, Led Zeppelin, Rolling Stones, and Genesis. WYDD and WDVE seemed to be the most listened to radio stations. Along with listening to music, watching music videos became a very big thing and MTV (Music Television), a 24 hour music video station, and other various video

## What Is Out?

shows were something everyone heard of.

In the area of television, "Cheers" seemed to be the favorite. When it came to what was most popular for weekend activities, Parties, seemed to be the favorite. Football games also served as an event for a lot of good times. Attending great concerts, having common sense (TFS!!!), and for the New Wave Daves, going to the VIP was the thing to do.

This year there were things that were "out", too. For instance, being home on a Friday night, walking in the hall without a pass (according to Mr. Mori), "Valley talk", and smurfs.

So when looking back on the year of 83-84 Hempfield students have a lot to think about. The things mentioned here are only a very small part of all the memories, but whatever was "in" or "out", "popular" or "unpopular", this year will be one to remember.

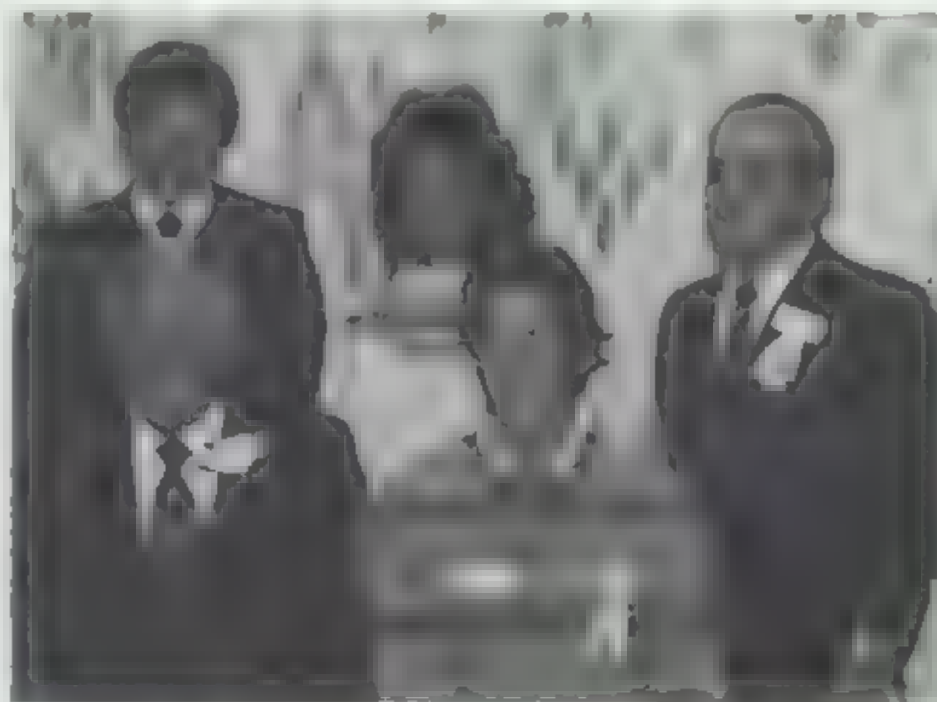

## Homecoming Committee

Every year a lot of planning goes into the entire Homecoming event. Many students probably do not realize the work and responsibility that goes into the planning of an event like Homecoming. This important job is handled by a Homecoming Committee and other Student Council members. The committee was headed by Student Council sponsors Mr. Fields and Mr. Curiale and student council members Jill Gates, Mike Guinto, Dawn Irwin, Pam Dickson, and Chris Santillo. Planning started a month before the reception, meeting every activity period. There were many materials, various items, and phone calls to be made. These were just a few things that kept the committee busy.

The day homecoming was to take place Student Council

Seated Dr. Kondrod, Mike Guinto  
Standing: Mr. Fields, Jill Gates, Mr. Curiale

cil members stayed after school to decorate for the event. All their hard work really payed off! The evening's festivities got started with the reception for the Homecoming Court and their parents in the decorated cafeteria. Also invited to the reception were members of the school district's adminis-

tration and school board. After the reception the Committee's job was still not complete because during half-time the crowning of the 1983 Homecoming Queen took place. Even though the Spartan's football team lost to McKeesport, the evening was a great success and one to remember.

## Evening of One Act Plays

"Early Frost", "The Gimick", "Who Am I This Time?", and "Father Lives With Seven Women", were the one act plays presented on the evenings of February 17, 18, 24, and 25 by the Hempfield Theatre Company.

"Early Frost" featuring Monica Meier, Robin Callahan, Beth Leamer, Michelle Oross and Danise Grimes, told a tale of an old woman, who by accident killed her childhood friend, fifty years earlier. She had kept this event a secret, until her niece discovered the body in a trunk in the attic.

Randy Brecht, Liberty Hill, Bob Petrillo, Dawn Tatters, Michele Cole and Ellen Thompson played in "The Gimick". This one act portrayed the devil and how he tricked people into selling their souls by using dime store gimmicks.

"Who Am I This Time?" showed how two very shy people fell in love because of the roles they acted out in the town play. Dan Ritz, Michelle Cole, Anita Berry, and John Kowalczyh starred in this play.

"Father Lives With Seven Women" created many amusing moments. Especially, when a New York publisher wanted to advertise Father's new book by erecting billboards announcing that Mr. Timberly lives with seven women. Adam Pagdon and Debbie Orth are Mr. and Mrs. Timberly. Their daughters are portrayed by Danise Grimes, Debbie Watts, Ellen Thompson, Dawn Tatters, Cathy Henderson, and Robin Callahan.

All of the One Acts were under the direction of Miss Sandra Johnson.

## YTSC Presents Safe Driving Assembly

Two members of Hempfield's Safety Club conducted an assembly that was presented to the fourth, fifth, and sixth graders at Fort Allen Elementary School. The subject of the assembly might be one of surprise for an elementary school assembly, but it's topic is too important to just be ignored. Andy Kirkland and Scott Katonka presented the subject of Alcohol and Driving. Two filmstrips and a skit regarding drinking and its effects on drivers were shown to the students. Also included in the presentation was a discussion period in which Scott and Andy answered questions asked by the kids. The presentation went really well.

Afterward posters and worksheets for the students were distributed by their teachers for additional information

and education on the drinking and driving subject to let them get an even better understanding.

Andy Kirkland, Scott Katonka

Hero

## Robotics

Hero, a new student, attended the Physics 12 classes, this past fall. You may wonder who is Hero? Hero is a human-like robot that was assembled at the Cleveland Technical Institute. Hero is a part of the robotic future to come.

Hero lives with a man from Cleveland and it is programmed to talk and move like a human. He is able to get refreshments from the refrigerator, answer the door, act as a burglar alarm and also awaken the household each morning. Hero amazed the students with his abilities.

Hero gave the students a brief glimpse at the wonders of tomorrow's technology.

## Computers, New Learning Aid

Computers — where?? The library has added five Apple computers to aid a new department headed by Dr. Barbara Dompka, Hempfield's new computer specialist.

The function of the computer program is to make students and faculty aware of the growing computer field. Eventually the computer program will be made available to students from Kindergarten to twelfth grade.

The computers here at Hempfield are made use-

ful in a variety of ways. Some are used for tutoring, developing a program to increase SAT scores, and even filing car parking permits in an orderly manner. Not only does the library contain Apple computers but three terminals have been added to the business department and two to the Foods department.

The age of computers is upon us and we here at Hempfield are making it a part of the education program.

## Adult Roles and Functions

With the divorce rate going up and up, it's wonderful to hear somebody getting married. Not just one couple, but five. The Adult Roles and Functions classes performed them during the weeks of November 16 and December 9.

The first couple to walk down the aisle was Claudia Roth and Scott Neill. Next came Lee Folk and Tracy Colarusso. Christina Resnick and Scott Page said their vows next. The last one of that week was Candy Kane and Greg Ehrentrott. The last ceremony was held in December for Pam Stipp and Fred Stroker.

These weddings were performed like they would be in reality. Everything was accounted for from the brides' gowns down to the reception afterwards.

Let's hope everything goes well for these couples. We'd hate to see them show up on **Divorce Court!!**

## Spanish Scholars

In early November, three Hempfield seniors competed in a Spanish Competition at Gannon University. They were Chris Foschia, Renee Snyder and Scott Drab, finishing in fifth place.

Each one of them earned three credits. Even though they do not plan on attending Gannon, they will transfer their credits to the universities they will be attending this fall.

Scott Drab

Renee Snyder

## Hempfield Nightlife

P. Logan, C. Ferens, J. Musiak, K. Hebrank, M. Frye, J. Ferens, A. Mellor

"A Christmas Dance," echoed the Spartanian and Royal co-editors. "Who's idea was that?" But that did not stop both publications, amidst deadlines from combining efforts to work on the Christmas dance. For a week before the dance both staffs collected tinset, cut snowflakes, and looked for

enough colored lights to turn the cafeteria into a fabulous winter wonderland. Not only did we cut snowflakes, buy balloons, and decorate the morning of the dance, but we also borrowed a sleigh to take pictures of the couples in attendance.

So on Saturday December 16, with decorations in place

and no snow, the dance took place with Bill Batta from Donnellsville as disc jockey.

After a very successful evening the staffs both claimed that never again would they sponsor a dance. To their great surprise and dismay a Valentine's Dance was scheduled to take place on Saturday, February 16 with "On the Wings of Love" as the theme.

The disc jockey for the dance was Jim Bowen, a sen-

ior at Hempfield. The cafeteria was arrayed with 144 balloons in the romantic Valentine's Day colors of pink, red, and white and in the auditorium a circle of balloons was made to frame those couples having their pictures taken as keepsakes of the Valentine's Day Dance.

## AFS Student in Columbia

Vicki, Luis Miguel, Yolanda, Linda, Miguel, Sanchez

Linda Leeper, a senior here at Hempfield, spent last sum-

mer in the large city of Cali in Columbia, South America

She was the only person from Hempfield to participate in the American Field Service Summer Exchange Program.

She left on June 11 and returned home on August 22. Linda has had some experience in Spanish so the language problem wasn't that bad.

The weather was hot and dry, ranging from 110 degrees in the afternoon to 80 degrees in the night.

She visited the city of Popayan, a city that was completely destroyed by an earthquake last spring of which she could still see the

after effects. She also visited a poverty-stricken village. The people in the village have never known what it is to own a television or a car. They live in shacks with dirt floors, tin roofs and NO electricity.

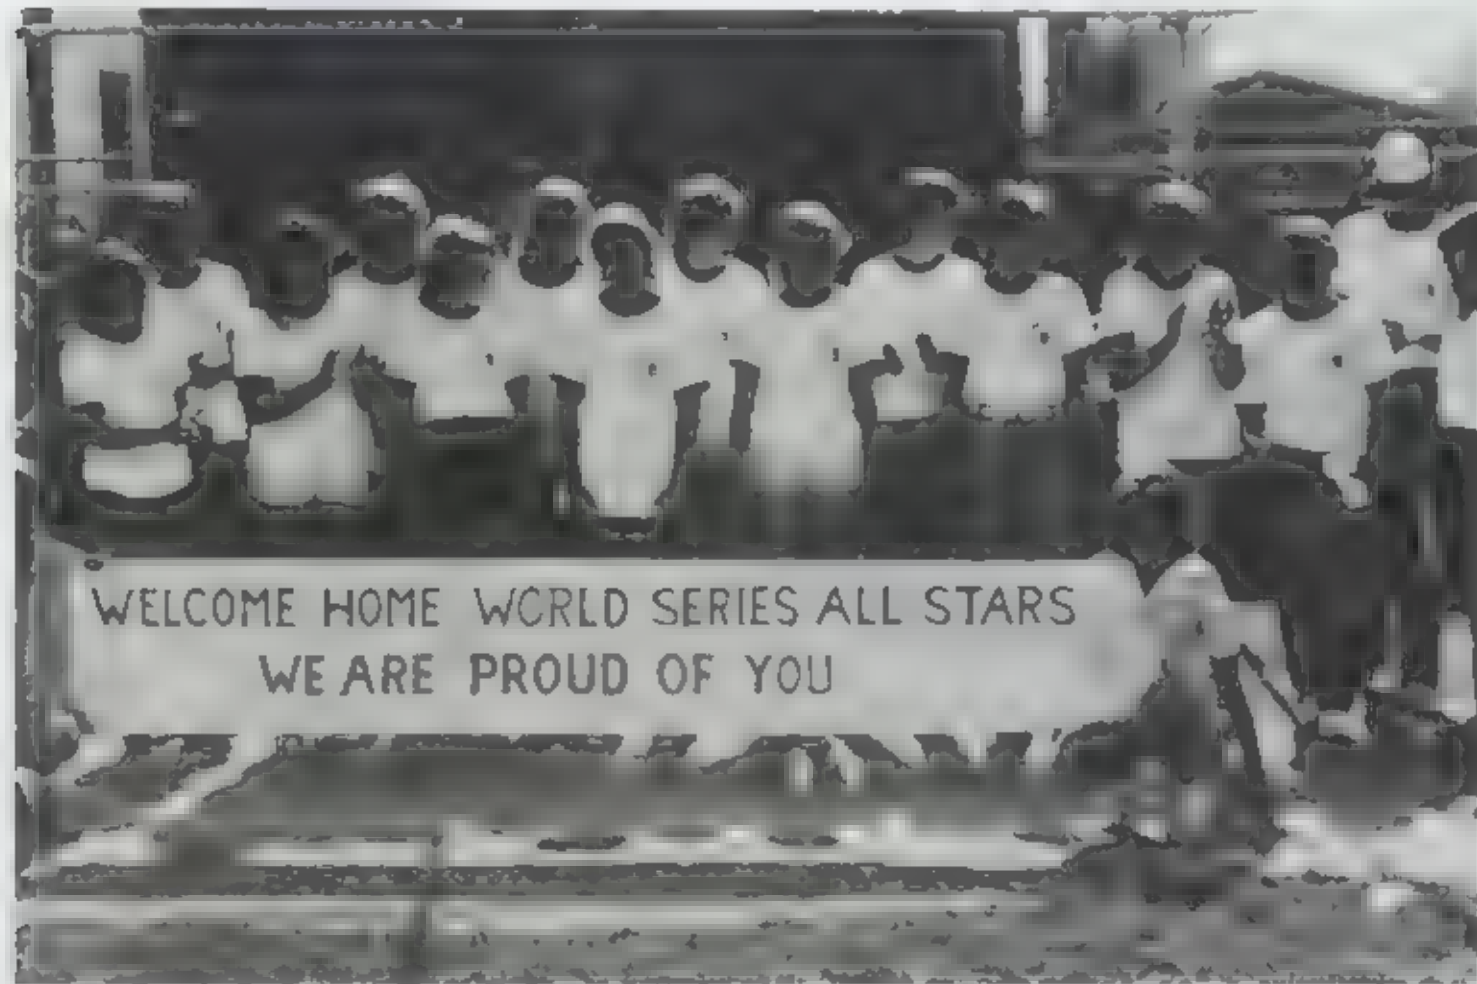

The chief occupation is farming and their main crop is coffee. Colombian coffee, right? Their diet consists mainly of rice, meat, beans, and bananas.

With all of these hardships Linda feels that the experience she has had is wonderful and that she would go back anytime.

Row 1 — J. Zimmerman, K. Stratton Row 2 — K. Mello, M. Permar, J. Biss, L. Hutchinson, S. Musiak, S. Santillo, S. Snyder, T. Smith, B. Gatons Row 3 — M. Waugaman, K. McCarthy, K. McCarthy, W. Stratton, S. German, K. Jones, R. Snyder

## World Series All Stars

Who would believe that we have twelve world champions walking the halls of Hempfield? Well, we do!! They are Beth Gatons, Laura Hutchinson, Kim Jones, Kathy McCarthy, Kris Mello, Shelly Musiak, Missy Permar, Sandy Santillo, Tammy Smith, Sue Snyder, Wendy Stratton, and Misty Waugaman. These girls are twelve of fourteen players who played on the West Point Girls Senior League Softball Team. And these girls are champions!!

Early in January, these girls started their practicing and training. It lasted until May when the regular softball season started. But at the end of June, All-Stars began. That meant longer and harder practices. How does three hours a day sound? Pretty vigorous schedule.

They competed first for the District 27 pennant by playing teams from Lower Valley and Freeport. They

clinched the pennant by winning all three games.

The next step was the Section 2 pennant. They played a team from Williamsport. They lost the first game, but came back to win the next two.

The state championships were held in West Point where four teams competed. One was from Pack Mountain, Harbor Creek, Minersville, and of course, West Point. West Point won their first two games, but lost the third. Once again they came back to win the fourth game. For the first time in West Point Softball history, West Point won the state championships.

The girls didn't have long to celebrate their victory because they had to be in Providence, Rhode Island for the regionals. With two cars and a van, they were off to the coast. There were teams from New York, Delaware, and Massachusetts. They

lost their first game. Could they come from behind a third time to win? Their second game was almost lost, but they pulled it out in the seventh inning to win. They played three more times and won the Regionals!!

The very next day they were off to Kalamazoo, Michigan for the World Series! They had a chartered bus from Providence to Boston, Massachusetts. From Boston they caught an airplane to Kalamazoo. Awaiting them at the airport were limousines. These girls never had it so good!!

There were three other teams representing the North, South, and the West. Representing the North was a team from Ohio, from the South there was a team from Florida and the West was represented by Arizona.

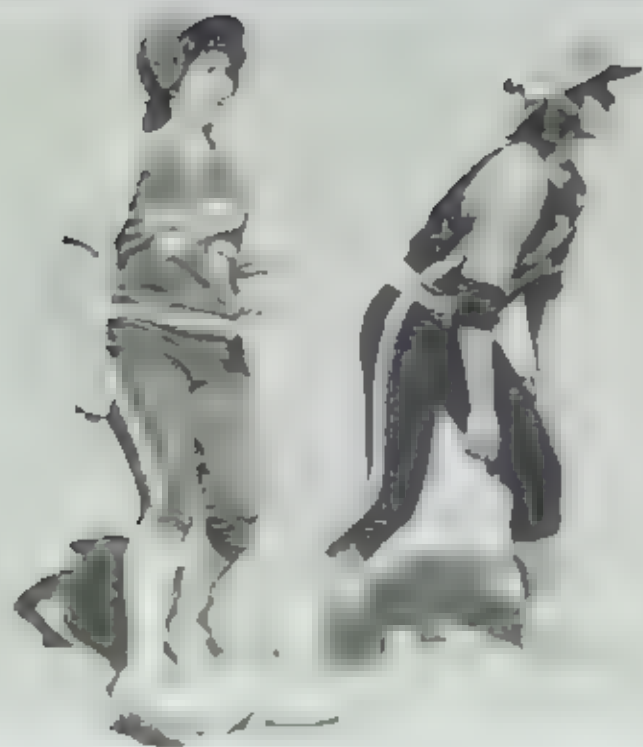

They lost their first game 2-1. Could West Point come from behind this fourth and final time? But three times

were enough. They lost their second game 2-0.

At first there was major disappointment. But then they realized what they had accomplished. This team from West Point was the fourth best team in the entire COUNTRY!!

On returning home a celebration was held for them at the Little League Fields. All of the girls received a letter of commendation from the Hempfield Township supervisors. These twelve girls are definitely champions!!

Rae Ann Redinger makes it to third

## Girls Softball

The Hempfield Girls Softball team had been trying for two consecutive years to win a section title. All their hard work finally paid off in the 1982-83 season. They had an overall record of 12-1. The first game of the playoffs was against Highlands. The ladies luck ended here with their second loss. Their superb

pitching by Kelly Scurci, Wendy Stratton, and Kathy McCarthy carried the team to their victories.

Their offense wasn't too bad either. Their offensive attack was led by Amy Wertz, Sandy Santillo, and Rae Ann Redinger. Amy Wertz also achieved the Golden Glove Award

## Hempfield Student Member of Pittsburgh Patriots

Kelly Scurci, a sophomore at Hempfield, deserves recognition for her excellent athletic abilities in the sport of softball. During the summer, she was a member of the Pittsburgh Patriots softball team, which is quite an honor. Kelly was chosen for the team by the coach for the Pittsburgh team after participating in a pitching clinic. Her teammates ranged in age from Kelly's age to 19, Kelly being the youngest player. The teams usual opponents' ages went up to

their early twenties. Girls as far away as Erie were on the team and although the team's home is Pittsburgh, much travel was involved in the eighty games played including playoffs. Their record was 45-21.

Kelly also has participated in West Point Girls Softball League and during her freshman year she played for Hempfield's team on which she lettered. Hempfield would like to congratulate Kelly and wish her all the luck in her future softball career.

### Pittsburgh Patriots

Totals	Patriot runs: 305
66 games	Opponent runs: 132
31 practices	Record: 45-21
6 out of state trips	<b>Pitching Totals</b>
1 Canadian trip	ERA=0.67
1 nine-day training camp	Walk Average=2.11

## Handball Intramurals

A new intramural sport has come into action here at Hempfield and it is Girls Team Handball. The intramurals sponsored by Mrs. Kassel were held during activity period and brought seven teams into action. Each team consisted of 10 players with six on the field and one goalie.

The object of handball is to score a goal against your opponent by dribbling and pass-

ing the ball. The game is very fast and competitive.

Under Mrs. Kassel's direction the seven teams competed against each other, until the final elimination. In the final game Dawn Stroker's team defeated Heather Majecher's 9-1 in the exciting finish of the intramurals. All seven teams should be congratulated for their fine sportsmanship.

Keith Gorse

## New Trainer

To help Hempfield's injured athletes and prevent future injuries the Hempfield Board of Education hired Mr. Keith Gorse to set up a Physical Education and Athletic Training program.

In Gorse's program he wants students to work in the training room to become experienced in this field.

Mr. Gorse is a graduate of Pitt with a B.S. degree in science education with a specialization in Athletic Training.

## Hoopsters Enjoy Successful Season

The Hempfield Basketball team for the year 1983-84 began with a slow start, but ended up with an overall successful season. The Spartan hoop team had a 13-8 overall record with an 8-2 record in section I-AAAA (as of February 4, 1984).

Names of players on the team who became those to watch included Alan Rugh, Chip Crumrine, Greg Oglietti, Brian Kadlubek, Greg Kier, Brian Brentzel, and John Pine.

When mentioning various games, Hempfield tied Latrobe for second place in the sections by beating the Wildcats 50-45 and also beating

them in overtime 68-59. Hempfield has also beaten Penn-Trafford twice this season; 49-43 and 63-44.

The Spartans defeated Derry by the very large margin of 77-30 at home. When playing Greensburg Salem,

the Spartans won 69-49. The Spartans only two section losses came back to back, losing to Franklin Regional 45-43 and to Kiski 49-47. Hempfield defeated Norwin 42-38. Also, the Spartans took part in the Vanguard Christmas Tournament along with Greensburg Salem, Penn-Trafford, and host team Jeannette. Hempfield beat Penn-Trafford to advance to the finals against Jeannette which was also won by the Spartans, 66-30. This year Hempfield also advanced to the playoffs, by beating Upper St. Clair.

## Soccer Play Honored

The year of 83-84 marked the fifth season of Hempfield's soccer team and overall they had a successful season. Hempfield's team was lead by Coach Don McGuire, who headed them to a season record of 6-8-4, with a section record of 5-4-3. Eight seniors were honored this year on Senior Night held for the team in Spartan Stadium. They were Jim Hampton, Mike Hancock, Todd Ramsey, Scott Neill, Ed Oliver, Greg Frusella, Claudia Sturgeon, and Matt Broda. Outstanding individual player achievements also should be mentioned and include Chris Riding (forward), and

Jim Munden (fullback) of the first team Section I and Todd Ramsey (fullback), Barry Hammers (halfback), and Scott Neill (halfback) of the second team. Hemp-

field's JV team also has done well, compiling a record of 3-3-4. This year's soccer team certainly made their fellow Hempfield students proud.

## W.P.I.A.L. Diving Championships

The season of 1983-84 proved to be a successful one for divers at Hempfield. This year our school's divers competed in the WPIAL (Western Pennsylvania Inter-Scholastic Athletic League) championships. The event was held at Chartiers Valley on February 17, 1984. Both boys and girls competed in the WPIALs with thirty-five boy divers and thirty-seven girl divers. The qualifying points for the girls were 160.3 from three judges and 107 from two judges. The qualifying points for boys were 168.0 from three judges and 112 from two judges. During the competition there were sixteen boy and girl semi-finalists and twelve boy and girl finalists.

Several Hempfield students showed their diving abilities during the competition by qualifying. These divers included Phil Brazill, Mike McCarthy, and Tracey Dragovich.

## Spartans Sprint to the Winners Circle

the Section 1 championship to this impressive record

Coach Colland is assisted by LaRoyal Wilson who coaches sprinters and hurdlers, and Bob Lawrence who coaches throwers in the field division. Dr. Roger Sullenberger coaches the jumpers and vaulters, and mentor Ron Colland trains the distance runners

The 1984 team has high expectations placed on them to perform in the same manner as last year's undefeated section champions. Many members of the team are ready to meet this challenge and are pushing themselves to duplicate last year's record. Good prospects for the boys' team are Joe Harvey

and Mike Martin throwing the discus and Shawn Moore on shot-put. John Pine, high-jump; Fred Stroker, pole-vault; and Greg Smalley, jumping; are Coach Colland's senior hopefuls for their part of the field division. Dennis Sims and Mark Staun, running hurdles and sprints, respectively, are expected to boost the team in the track competition

Terri Bitner, a distance runner; Kim Compton, jumper, and Tina Biedinger, shot-put, are expected to be the stars of the girls' team

Coach Colland and his assistants have many goals set for this year but say it will be difficult to top last years' record Good luck 1984 track team and congratulations to the 1983 team for a job well done!

The 1983 track team received many worked for and well-deserved awards. Under the supervision of head coach Ron Colland, the team won the Westmoreland County Championship for the second consecutive year, East Allegheny Invitationals, WPIAL relay championship, and WPIAL team championship. The girls' team added

## WPIAL Swimming Championships

Tim Roess, Brian Salsgiver, Matt Harns, Dave Sutor, Erik Kaldi, and Mark Kaldi have had some strong performances for Spartan swimming victories. The team was headed by Coaches John Sphon and Kim Howfer. Their wish for the season was for all members to give 110 percent every practice and meet, in order for the team to be successful. Spartan swimmers really put alot into their team, even meeting for morning practices. Much of their hard work paid off! Five swimmers and three divers were able to compete in the WPIAL Championships held at the University of Pittsburgh on February 20. Thirty relay teams competed, with Hemptfield's finishing eighteenth. The swimmers who competed in the event were Tim Roess, Dave Sutor, Mark Kaldi, and Matt Harris. The divers who competed were Phil Brazill finishing thirteenth, Mike McCarthy taking seventeenth, and Tracey Dragovich finishing in sixteenth place

## Wrestling Team Has Outstanding Season

The 83-84 Spartan wrestling team finished out this season with a 14-2-1 overall record. High achievers Jeff Stuchell, Fred Stroker, Rob Lindsay, and Jim Uncapher led the Spartans to this outstanding record

In the Seneca Valley, and on Mac with a score of 13-36

Those deserving special honors are Rob Lindsay as Cal State Tournery State Champ; Jeff Stuchell, Fred Stroker, and Jim Uncapher were champs at the Seneca Valley Tournery. Completing the list of special honors are Fred Stroker and Rob Lindsay for taking the title of champs at the County Coaches Tournament

Nine Spartan wrestlers qualified for the WPIAL District Regional Tournament at Chartiers Valley High school. Mike Matis placed first while Rich Ritson, Mike Minerva, Fred Stroker, Matt Kissell, Andy Kirkland, and Jim Uncapher came in second. Jeff Stuchell and Mike Reinhart took third place

Congratulations to each wrestler for their fine work!!

To the Class of '84,

It's hard to believe that twelve years of our lives have slipped by so quickly. Here we are looking ahead to what our futures hold, but first let's think back on our last three years.

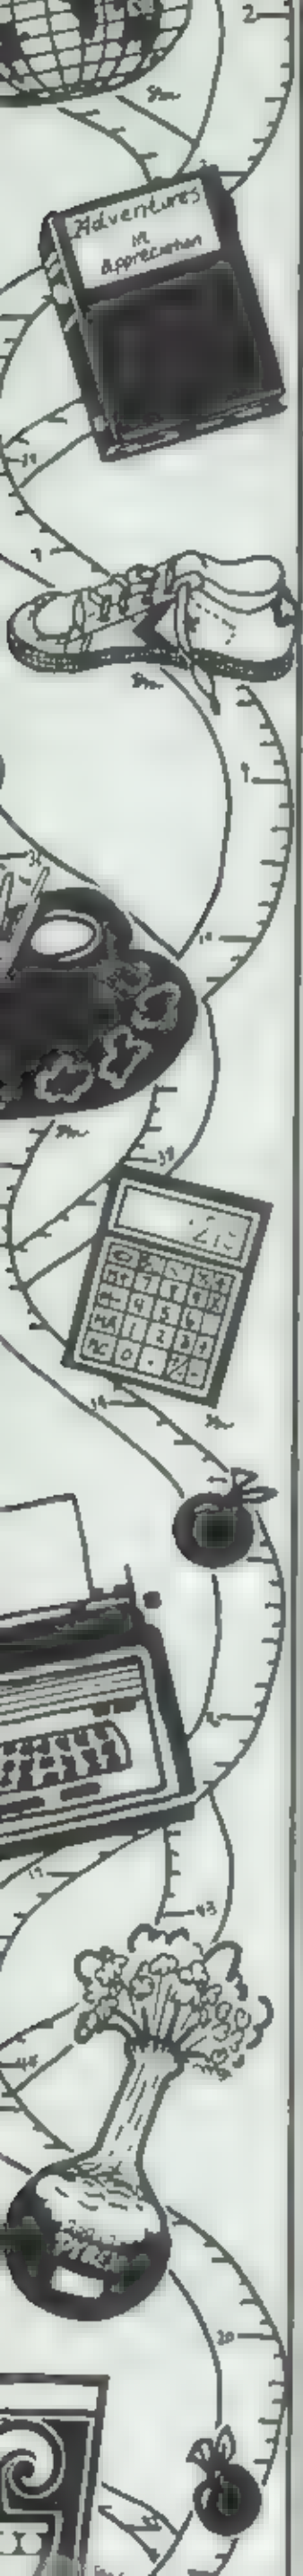

Our hearts will remember the times we've shared as fellow students. Times of laughter, times of tears, and times of friendship have brought us together and, at times, torn us apart. However, these will be the treasures of Hempfield that we'll never forget.

When to the sessions of sweet silent thought  
I summon up remembrance of things past,  
I sigh the lack of many a thing I sought,  
And with old woes new wail my dear time's waste,

.....

But if while I think on thee, dear friend,  
All losses are restored and sorrows end.

SHAKESPEARE

# Faculty and Administration

Dr. F. Theodore Kondrad, Principal Senior High

Dear Students of the Hempfield Area Senior High School,

Sometime ago as I observed our students and the many activities they were involved in, I could not help writing the following poem and dedicating it to all those who have walked in our halls here at the Senior High School

Too many times personal priorities or monetary aspirations are more important than the simple yet the beautiful. It has been wisely said that money will buy a bed but not sleep, books but not brains, food but not appetite, a house but not a home, medicine but not health.

I would like to dedicate, through this yearbook, the following poem to all of you who are going into life's unknown challenges, expectations, and fulfillments. Don't base your life on what you have done but on what you are going to do.

#### WHY WE LOVE YOU JANIE AND JOHNNY

We are your teachers

We love you enough to ask you to come to school and attend your classes so that you gain knowledge and wisdom for future decisions.

We love you enough to insist you do your homework so that you may learn the worthy use of time and grow within your own self.

We love you enough to be silent and let you explore the unknown with the past — in the present — for the future.

We love you enough to call your home and speak with your parents and guardians so that your path is never shadowed with any doubt.

We love you enough to correct your tests, give extra help, coach your activities and watch you grow into an adult ready to travel in a world of concern.

We love you enough to let you see us with expressions of joy and tears of happiness because no one is perfect.

We love you enough to see that every young life is worth a mile of effort to gain an inch of learning.

But most of all, we love you enough to say "Do it over" or "Do it right" when we know you hate us for it. Teaching is love. Both are needed to have character, determination and positive self-expectancies.

When we win, we are all glad because it is our end and your beginning. No matter what level life travels at or altitude it flies, the distance and speed will always be piloted by your parents, teachers, or preachers.

I again wish you the gift of love and understanding in all that you may do. Take hold and direct your life with its brief moment of joy in giving and accept that which is given. Always greet the morning with compassion and the evening with a prayer of thanks. Never be sorry for what you don't have but be thankful for all the blessings you do have. We are not put on this earth to see through one another but to see one another through.

Sincerely yours,

*F. Theodore Kondrad*

# Golf

The Golf Team under the coaching of Tom Komisak had a very successful season. The '83 season was an undefeated year for the team with fourteen wins and no losses. Their overall record was twenty-two matches won with only one loss to Franklin Regional in the WPIAL playoffs. This season Randy Krueel placed 4th in the PIAA State Individual Championship. He qualified for the states by placing seventh in the WPIAL Individual Championships. Out of the last sixteen years under Coach Komisak, the team has won the section championship eleven times, eight consecutive section five championships and placed first in the Quad A conference tournament. Congratulations to the Golf Team for a successful season!

"Everything you need for the office"

To make the world a friendly place One must show a friendly face

As everyone strives forth into the world to make it themselves, it would be wise to carry those ideas and experiences that have carried us through our high school years.

Looking back may make everything fall into place; questions may be answered, and problems may be put into focus. Most of all the fun, excitement, and exuberance we have encountered today may stimulate and perhaps nudge us into tomorrow.

#### BE THE BEST OF WHATEVER YOU ARE

If you can't be a pine on the top of the hill,  
Be a shrub in the valley — but be  
The best little shrub at the side of the hill  
Be a bush if you can't be a tree

We can't all be captains, some have to be the crew  
There's something for all of us here  
There's work to be done, and we've all got to do  
Our part on the way that's sincere

If you can't be a highway, then just be a trail  
If you can't be a sun, be a star,  
It isn't by size that you win or you fail  
Be the best of whatever you are

## Take Time

Take time to work a little,  
That way we find success;

And make some loyal friends  
For they bring happiness.

Take time to play a little,  
It is the secret of youth,

And read — therein lies knowledge,  
Lest we may be uncouth

And laugh — for it is laughter  
That helps to lift one's load;

And sing a joyous song  
While traveling down life's road.

## A DAY

Every day is a little life, and our whole life is but a day repeated. Therefore, live every day as if it would be the last. Those that dare lose a day are dangerously prodigal, those that dare misspend it are desperate.

Count that day lost whose low descending sun views from thy hand no worthy action done.

Joseph Hall

With our compliments...

Life as precious as a rose  
Delicate and fragile each day it lives  
But just like the short life of the rose,  
Life too, seems to pass much too quickly

Like the delicate petals  
Being tossed gently in the breeze  
Life too, is a day to day existence  
Filled with joy and happiness

Thorns prickly and sharp  
Like the pains and tragedies of life  
Catching our existence off guard  
And changing the pace of one's life

The rose just like life  
Is an everchanging and growing experience  
Touched by others  
And continually touching others

Paula Logan

## ANGER

When anger gets the best of me,  
And I have lost my head,  
I often say a lot of things  
I wish I hadn't said

When reason gets beyond control,  
The things I do for spite  
Make me ashamed, for meanness  
Never helped me do things right

But some day soon, I hope and pray,  
'll reach a wiser age,  
And learn I never profit  
From the things I do in rage

For anger, when it's flaming hot,  
Burns to a bitter end,  
And when it cools, I find too late  
I've lost a cherished friend

#### THE ART OF LISTENING

The key to the art of listening is selectivity. You stand guard at the ear — gateway to your mind, heart and spirit. You decide what you will accept.

**LISTEN** to the good. Tune your ears to love, hope and courage. Tune out gossip, fear and resentment.

**LISTEN** to the beautiful. Relax to the music of the masters, listen to the symphony of nature — the wind in the treetops, bird songs, thundering surf.

**LISTEN** with your eyes. Let your imagination make real the "sounds" expressed in a poem, a novel, a picture.

**LISTEN** critically. Mentally challenge assertions, ideas, philosophies. Seek the truth with an open mind.

**LISTEN** with patience. Do not hurry the other person. Show him the courtesy of listening to what he has to say, no matter how much you may disagree. You may learn something.

**LISTEN** with your heart. Practice empathy when you listen, put yourself in the other person's place and try to hear his problems in your heart.

**LISTEN** for growth. Be an inquisitive listener. Ask questions. Everyone has something to say which will help you to grow.

**LISTEN** to yourself. Listen to your deepest yearnings, your highest aspirations, your noblest impulses. Listen to the better man within.

**LISTEN** with depth. Be still and meditate. Listen with the ear of intuition for the inspiration of the Infinite.

#### THREE KINDS OF COURAGE

There's the courage that nerves you in starting to  
climb  
The mount of success rising sheer,  
And when you've slipped back, there's the courage  
sublime,  
That keeps you from shedding a tear  
These two kinds of courage, I give you my word,  
Are worthy of tribute — but then,  
You'll not reach the summit unless you've the third —  
The courage to try - it - again!

## Editors' Page

As the 1983 yearbooks were passed out, we started thinking of ideas for the 1984 Spartonian. How could we match last year's book — let alone make ours better? After weeks of brainstorming, ideas started popping into our heads. Something new here and something different there were the ways we made the 1984 Spartonian better than ever!

We never would have made it without our rather large staff of 159 students. The sophomores were our "gophers". They did the running around and the rest of the menial jobs that only sophomores could do. Our juniors, the future editors and business managers, were a big help too. (We'll see next year if they can top this year's book!) And who could forget the seniors? Even though we were the fewest in number, we carried the brunt of the load.

We would like to thank these people and the rest of the students at Hempfield. We wouldn't have had any pictures to fill it if it weren't for their constant "Take my picture! Take my picture!"

We also would like to thank Dr. Theodore Kondrad for his excellent photography, Gradler Studio; Mr. George Stewart, our Herff Jones representative and constant doughnut bringer; and Mr. Collin Wansor, for putting up with our sometimes too loud group.

Last, but not least, we would like to thank Mrs. Elizabeth Johns. She has put up with missing pictures, misspelled copy, and everything else that has gone wrong. Without her, this yearbook would never have been completed.

We now hope that the class of 1984 can find a part of their lives in this issue of the Spartonian. We've finally made it!

Best of Luck!
